

Record Vote Registrations Await November Election

Record vote registration lists await the Nov. 5 general election a check with area government officials Monday disclosed.

New highs in the number of registered and eligible voters were reported by clerks in Van Buren, Romulus, Huron and Sumpter Townships. The City of Belleville also reported an increase.

Interest in this year's presidential election and vital issues facing the nation during the years just ahead has prompted many to make sure of their voting eligibility.

IN ADDITION, extensive vote registration drives were conducted in area communities especially in Van Buren and Romulus Townships

where township clerks organized crews to get out the vote and where clerks deputized vote registration aides.

It was reported by some government officials that many who haven't taken the time to cast ballots in recent elections have registered and have voiced interest in party favorites. Some were fearful of possible

third party campaign results.

In Van Buren Township, Mrs. Erma Jean Payne, clerk, reported that vote registrations reached the highest level in recent history.

As of deadline Oct. 4 (deadline for registering to vote in the Nov. 5 election) a total of 5,037 persons registered, including over 600 persons who registered during the week before deadline.

Precinct totals compared with Sept. 20 (after the August Primary) are as follows:

Precinct One, 1,519 from 1,277. Precinct Two, 1,001 from 817. Precinct Three, 1,107 from 892. Precinct Four, 1,410 from 1,112.

In Romulus Township, registered voters hit a new high of 7,851, a gain of 1,400 new registration over the previous

high set before the August Primary.

Romulus' vote registration drive was initiated on Sept. 18. Five registration centers were set up and mobile units were used.

Mrs. Wilma Wilson, clerk of Huron Township, reported a record vote registration of 3,154 persons, the highest in four years.

The record increase is due in the main to a complete re-registration drive and interest in the election candidates and issues, she stated.

In Sumpter Township, William Gouger, clerk, announced that registrations hit a new high of 2,716, the largest since prior to 1965.

Sumpter voting precincts are

now located as follows: Precinct Two and Precinct Four are located at the Fire Hall, Sumpter and Willis Roads. Precinct One and Precinct Three are in the Sumpter Township Hall, 23483 Sumpter Road.

The City of Belleville' registration is reported over 940. This compares with 800 in the 1964 Presidential Election.

Judges selected dolls dressed by Mrs. Dorothy Merritt, (left) 50050 Bogg Road (First Place) and of Mrs. Betty Kalasz, 30955 John Hawk, Garden City, as the winning dolls. The dolls will be taken to the downtown headquarters of NBD for presentation to the Goodfellows for Christmas distribution. Some 1,200 to 1,500 dolls were dressed by NBD employees this year.

FACE REPUBLICANS

Two Van Buren Incumbents Seeking Re-election on Nov. 5

BELLEVILLE - Two Van Buren Township incumbents will fight it out with Republican opponents for new four-year terms in the Nov. 5 election.

A third incumbent, appointed last May, 1968, to fill a vacancy, ran unopposed in the August Primary and was elected.

Up for voter approval are incumbents Jerry Maton, 45, (D) of 12175 Beckley Road; and Joseph Hogan, (D) of 46200 Hull Road.

Their Republican opponents are: Mrs. Cecilia G. Chudzinski, of 41775 Savage Road; and Vincent F. Goodnuff, 56, of 43390 Alma Drive.

Reported Annexation Moves Prompts Second Presentation

By HENRY CANTIN
ANP Staff Writer

ROMULUS - Voters of Romulus Township will again be asked to cast ballots on a City Incorporation Issue in the Nov. 5 general election.

An earlier attempt to incorporate the Township of Romulus into a city (August, 1966) was unsuccessful.

Interest in the city issue has grown by leaps and bounds since and more so in recent weeks amidst reports of moves by adjacent communities to annex portions of Romulus to their boundaries.

Government, business leaders, civic and social organizations have joined in an all-out campaign for voter approval this time.

A GROUP of Romulus Township's leading citizens initiated the present petition for city status. The Wayne County Board of Supervisors approved the petition last June.

This proposed Charter will, when prepared, be presented to township voters for their approval or rejection.

State Proposal No. 3 Approval Important to Belleville Area

BELLEVILLE - The water resources of the Huron River have such obvious potential that favorable passage of the "Clean Water" bond issue, State Proposal No. 3, at the Nov. 5 election will secure community benefits for the Belleville area far in excess of the local financial obligations that would be involved.

"The proposed bond issue makes possible a solution to the problems of water pollution which can ease the financial strain on local communities through state and federal matching funds," explains John S. Stock, Environmental Health Director of the Wayne County Health Department. "But while other areas will be assisted by receiving help with interceptors and new or improved treatment plant facilities, the

Belleville area can expect to gain additional advantages over and above these practical ones."

"Not only would the bond issue help western Wayne County communities by providing for the clean up of wastes in the Detroit and Rouge Rivers, to which we all contribute," Stock adds, "but it could also aid in reducing pollution in the Huron River from sources upstream."

"Essentially, Belleville Lake should be made available for recreation and body-contact sports such as swimming and water skiing. The Wayne County Board of Supervisors has stated that the Huron River should be developed to its total recreational potential. The Board and the Wayne County communities along the Huron River have recommended that

the state through the Water Resources Commission set pollution control standards that will guarantee total body-contact quality for Belleville's waters.

Helicopter Summoned To Crash

SUMPTER - Helicopter ambulance service recently inaugurated at Wayne County General Hospital by Superior Ambulance Company was used for the first time in the Sumpter area Monday.

The helicopter was summoned to an accident scene at Sumpter and Bemis Roads, Monday by officers of the Wayne County Sheriff's Road Patrol to convey an injured woman to the Wayne County General Hospital.

Taken to the hospital for treatment of serious injuries was Mrs. Emily Mack, 58, of 26526 Sumpter Road.

She was injured when the car driven by her husband, James Mack, 62, was struck by a car that allegedly ran a stop sign at the intersection, police said.

Sgt. Donald R. Sherman, reported that a car driven by Kieth Moss, 30, of 10340 Willow Road, failed to heed a stop sign and struck the Mack vehicle. It had to be towed away from the scene.

Investigation of the accident is continuing.

New Romulus Plant Reports Job Openings

ROMULUS - New employment opportunities were opened to Romulus area residents by Kerr Manufacturing Company.

Announcement of Job openings was made by Kerr's Director of Industrial Relations, Richard Enright.

"Even though our new headquarters and plant in Romulus will not be open until next Spring, we are already actively recruiting Romulus area residents for positions that are now open," Enright said.

"We now have at least 25 openings in various operations

throughout our plant in Detroit and are preparing for the move that will bring us to our new facility in Romulus early next spring," he added.

CONSTRUCTION DELAYS have slowed the completion of the \$2.2 million Kerr plant located on a 34-acre site bounded by Harrison and Wick roads next to the Metropolitan Airport. It was to have originally been completed this fall. The new plant will have 200,000 square feet.

Belleville Chamber Elects Directors; Hears Cahalan

BELLEVILLE - A first hand report on the operation and enforcement activities of the Wayne County Prosecutor's office was the featured highlight of last Thursday's general membership meeting of the Belleville Area Chamber of Commerce.

It opened with a social hour from 6:30 to 7:30 p.m. Car Dealer John Barber was the toastmaster. The regular meeting started at 8:15 p.m. following dinner.

A total of 84 members and their guests heard Wayne County Prosecutor William Cahalan present a detailed account and description of staff setup and inner workings of his office and enforcement work in Wayne County, the third largest county in the United States.

Members also heard the results of the Chamber's annual election of directors.

THE MEETING called to order by Theodore F. Kuckelman, executive director,

was held at Rogalle's Lounge. The nine-member Board of Directors and the terms they will serve along with their business occupations are as follows:

ONE-YEAR terms: Justin Emerson, 533 Main Street, Detroit Edison executive; Donald Walters, 186 Main Street, Wayne Federal Savings and Loan; Landy Box, 454 Main Street, Box's Jewelry Store.

Two-year terms: Miss

Absentee Ballot Deadline is Nov. 2

Deadline for Absentee Ballot applications is 2 p.m., Nov. 2, area clerks warned in a joint statement issued Monday. Both in Van Buren Township and Romulus Township clerks reported as of edition deadline time, new highs in the number of Absentee Ballot issued.

In Van Buren the number hit 186 and in Romulus 156.

Mrs. Erma Jean Payne, Van Buren Township Clerk; and Alfred J. Perry, Romulus Township Clerk, reported that these totals will be topped before deadline.

Area clerks offices will be opened from 9 a.m. to 2 p.m. Saturday, Nov. 2 to receive

applications and issued Absentee ballots.

Emergency Absentee Ballots will be issued to any registered elector at any time prior to 4 p.m. election day if he shall have become physically disabled or shall be absent from the Township because of sickness or death in the family which has occurred at a time which has made it impossible to apply for absentee ballots by the statutory deadline, they announced.

To facilitate the counting of Absentee Ballots, some areas have set up Counting Bureaus for the expressed purposes of handling and counting these ballots. The counting bureaus will be staffed by separate elections crews.

BOARD UPS BOND ISSUE

Delay in Huron Sewer Program Cost \$600,000

NEW BOSTON - The bids received by the Huron Township Board on the Lateral and Interceptor Sewers for Huron Township's sanitary sewer improvement program were \$600,000 above the estimated cost, George Angel, township supervisor disclosed this week.

The supervisor reported that because of this increase in cost, it was necessary for the Township Board to approve the sale of an additional \$460,000 in bonds to finance the laterals thus increasing the bond issue from \$3,140,000 to \$3,600,000. He also announced that an additional \$140,000 must be raised for the Interceptors.

"The high bids are the results of the delay in letting the bids, caused primarily by the petition requesting a referendum vote on the proposed sanitary sewer program last May, and the

resultant Court Action against the Township ordering the installation of the Interceptors and Lateral sewers," Angel said.

"The delay in getting bids from last April to October will result in an additional cost of over three quarters of a million dollars to the taxpayers of Huron Township, plus revenue loss from Industrial, Business and Residential tax base which could have been developed in the Township if sewers had been installed on schedule," he added. Construction must be started by Nov. 30, 1968 in accordance with present time table.

The Township Officials, along with financial and legal consultants are doing everything possible to meet the Court ordered dead line to avoid a Contempt of Court Charge and the loss of our Federal Grant of \$452,000, Angel reported.

Tag Sale

If you own a truck or trailer, you may purchase your new 1969 Michigan license plates at any branch office of the Secretary of State.

Secretary of State James M. Hare said he was hopeful that these commercial vehicle owners would "buy early" to take advantage of the early start of sales, which began Oct. 1.

Sale of passenger car plates, on the other hand, will open on Nov. 15, said Hare, 15 days later than in past years.

Prepared license plate applications are now all out to commercial vehicle owners.

ROMULUS VOTE

(continued from page 1)

THE CHARTER COMMISSION will have two years in which to draft an acceptable Charter.

If the city issue is approved, Romulus will not become a city until the Charter meets with voter acceptance.

REACT TO KEEP ROMULUS INTACT, a non-partisan group, have been conducting an all-out campaign for city issue approval.

The group's membership represents nearly all major organizations in the Township.

The Romulus Township Board by formal resolution Oct. 15, supported City Incorporation and urged a Yes vote on the proposal.

In the previous attempt for city status, voters rejected the proposal by a vote of 1,195 to 773. Since then, Romulus has shown rapid growth in both commercial and residential areas.

THE PROPOSITION on the Nov. 5 Ballot asks: "Shall the Boundaries of the Proposed City of Romulus South Particularly Described as Follows: (a long detailed description of the entire Township) Be Incorporated as the City of Romulus?"

Advocates for city status report that the danger of an annexation by area communities is real and does exist.

The new petitions are for annexation of parts of the Township's industrial, commercial and vacant properties which provide the foundation of the Township's tax base, it was reported.

"It becomes evident, therefore, that the full-scale potential of Belleville Lake can be developed only through measures brought about by state-level interactions. It is to be expected that such a large natural resource located within the environs of a metropolitan area would be given a high priority in the distribution of funds from such a bond proposal.

"For this reason Belleville area voters should vote favorably for State Proposal No. 3, not only to endorse the Clean Water Bonding Program but to express their interest in the maximum development of the lake's recreational possibilities. Most certainly the area's voting record could be a decisive factor in determining priorities at the state level."

Sample Ballots Available

ROMULUS — Samples of the Nov. 5 general election ballot is available for the asking at Romulus Township Hall, Alfred J. Perry, township clerk, announced.

The availability of sample ballots will enable voters an opportunity to review and study the lists of candidates seeking various offices on national, state, county and township levels.

It will also provide voters who request the free sample ballot to review the state and township propositions as

Ford Motor Employees Pay Boosted

Cost-of-living benefits for most of Ford Motor Company's 220,000 employees in the United States soon will be increased substantially.

Most hourly employees will receive 13 cents an hour in cost-of-living allowances beginning Oct. 28.

The cost-of-living allowance has been 5 cents an hour since October 25, 1967. The cost-of-living benefits are based on the U.S. Bureau of Labor Statistics' Consumer Price Index.

Eligible salaried employees will receive \$39.86 for the current quarter, up from \$26, payable in checks of Dec. 15. They will receive \$67.60 for the next quarter, payable March 15.

Four Seek Election In Huron

NEW BOSTON — Four candidates vying for two expiring terms on the Huron Township Board of Trustees seek voter approval in the Nov. 5 election.

Running for re-election for new four-year terms are incumbents Raymond Kreyger (D) of 18145 Huron River Drive and Fred Bragenzer, (R) of 19336 Waltz Road.

Others running are James Tillotson (R) of 34900 Prescott; and Donald Radabaugh (D) of 28033 Waltz Road.

Incumbent Kreyger led the August primary vote totals. He was followed by Radabaugh, Bragenzer and Tillotson.

Mrs. Wilma Wilson, township clerk, announced precinct locations. They are as follows:

Precinct One, Township Hall, New Boston. Precinct Two, New Boston Elementary School, 17132 Huron River Drive. Precinct Three, Waltz Fire Hall, 28245 Mineral Springs. Precinct Four, Huron Elementary School, 24820 Merriman Road. Precinct Five, 19120 Middlebelt in the Fire Hall.

Fund's Average Hits Record

Average individual claim now being paid out of the Motor Vehicle Accident Claims Fund has reached an all-time high of nearly \$1400.

"This is a far cry from the \$450 average Fund payment during the first several months of its existence," said Secretary of State James M. Hare. "Just like most everything else, number of claims and average amounts are escalating."

Hare attributed the all-time high level paid during the first quarter of fiscal 1969 as "reflecting payment of many costly personal injury claims."

He said that \$19 claims had been paid during the first quarter of fiscal 1969 representing nearly \$700,000.

Repayments through the first three months of this fiscal year added up to \$86,000 based on drivers repaying claims paid out as a result of their negligence.

Chamber Chatter

Chamber of Commerce

When a little boy who had sneaked his cap pistol into church fired it in the middle of a boring sermon, the father grabbed him by the arm and started to lead him out.

As they passed an elderly and plain-spoken lady she laid her hand on the father's arm and whispered, "I hope you aren't going to punish that boy. He's scared the devil out of more people today than our preacher has in the last ten years."

The Chamber is organized to make Belleville a better place in which to live and do business. One service which we would like to organize is a Newcomer's Club. If you are a new resident or an established resident who is interested in such a group, please call the Chamber office. 697-7151.

An old spinster called the police to complain of the man next door taking a bath with the blinds open. The police told her to draw her own blinds and forget about it. She persisted, indicating this man was causing scandal to the neighborhood and insisted the police come right over and do something about it.

When the police arrived at her house they looked out her window and sure enough there was the man taking a bath. The officer asked the lady, "What's so indecent about that, lady? All you can see is the top of his shoulders." "But officer," she replied, "just get up here on top of my dining room table!"

On Nov. 18, 1968 a "Salute to Belleville" will be on WWJ at 7:10 p.m. We would like to urge everyone to listen to this and hear about your community.

During the past year the Gross State Product reached \$36 billion, up 6.2 per cent from 1966. Personal Income rose to \$29.1 billion for an increase of 5.1 per cent. Retail Sales reached an all time high at \$15.8 billion, up \$1.3 billion over 1966. A favorable figure when compared to the Nation as a whole.

Two Expiring Romulus Board Terms Before Voters Nov. 5

ROMULUS — Voters in Romulus Township will fill two expiring terms on the Romulus Board of Trustees as well as candidates on the national, state and county levels in the Nov. 5 general election.

Up for re-election to one of the four-year terms is incumbent Jimmie Raspberry, veteran office holder, who topped all candidates in the August Primary.

Also seeking one of the posts is former Romulus Township Clerk, Roderick E. Smith.

Opposing them are Republicans David A. Rogers and Robert L. Walicki.

Incumbent Norbert Wegienka (D) who sought re-election was defeated in the August primary. He petitioned for a recount and was unsuccessful in changing vote totals.

SMITH, 53, former township clerk, has been a resident of the area for 22 years. He is the father of seven children and is

Advisory Committee and a member of the Romulus and District Democratic Clubs.

ROGERS, 31, lived in the community for over two years. He is employed as office supervisor at Metropolitan Life Insurance Company, Dearborn.

ROGERS

He is married and a graduate of a Salem, Ill., high school and attended the University of Southern Illinois.

WALICKI, 33, has been a resident of Romulus area for two years. He is employed at the Dearborn Engine Plant of

Sumpter Trustees Unopposed

SUMPTER — Two new Sumpter Township Board members both Democrats, will be unopposed in the Nov. 5 general election.

Incumbent Robert Beattie (D) was defeated in the August primary and incumbent Roland Sampson did not seek re-election.

Running unopposed for the two expiring terms are new trustees Clarence Hoffman (D) and Terry S. Williams (D).

The township clerk reported a record number of registered voters for the Nov. 5 election. Eligible to vote No. 5 totaled 2,716 persons.

William Gouger, township clerk, announced precinct locations. They are:

Precinct One, Southside of Judd Road, westside of Sumpter Road. Precinct Two, Northside of Judd Road, west of Sumpter Road. Precinct Three, Southside of Judd Road, eastside of Sumpter Road. Precinct Four, eastside of Sumpter Road, north of Judd Road.

How ANP Rates Ballot Propositions

WESTERN WAYNE voters will be faced with at least seven propositions on the state and county ballots when they go to the polls Nov. 5. All of these proposals are important, but not all of them have received a great deal of attention from the voters who must decide the issues.

It is vitally important that voters make a real effort to study and evaluate the propositions before they go to the polls. Long lines and the length of the ballot demand that a voter be prepared before he enters the voting booth.

On the state proposition ballot, there are five issues to be decided.

Proposal No. 1 on the state ballot would allow passage of a graduated income tax by the state or any of its subdivisions (which would include local communities). While the ANP staff takes no position on the proposal, it presents the following arguments. In favor of the proposition is the fact that an income tax might prove more equitable in the long run than a continued spiraling of property taxes. A graduated income tax would favor the low wage earner and would place a greater tax burden on high income earners.

In opposition to the proposal it may be said that many are fearful of giving the income-taxing power to local communities. A quick boost in local taxes would be the result, many feel. We urge all voters to study well this proposition and develop their own opinion on it.

YES on Daylight Savings Time

Proposal No. 2 on the state ballot is a proposal to establish daylight savings time in Michigan. Michigan is one of the very few states that does not follow daylight savings time on a traditional basis. This year the state tried the new system for almost the first time, and we think the experiment was a successful one. Because of Michigan's position between time zones, there have been some difficulties, but we feel the advantages of daylight savings time outweigh its liabilities. We urge a "Yes" vote on the proposition.

YES on Pollution Control and Recreation Bonds

Proposal No. 3 and 4 on the state ballot call for a total of \$435 million in state issued bonds for water pollution control and for better recreation facilities in the state.

Proposal No. 3 is for \$335 million for water pollution, and deserves the enthusiastic support of every voter. This vital issue would help finance the war on pollution of our state water-ways, lakes and rivers that so many Michigan residents have come to take for granted. We can no longer afford the luxury. We must take care of and clean up our waterways if they are to be used for our enjoyment, and to draw the millions of the consumer dollars brought into the state by the tourist industry.

Polluted waters can be a serious health hazard, endangering the water we drink and turning Michigan's natural beauty into an unsightly industrial mess. A

"Yes" vote on Proposition No. 3 is a vital necessity for Michigan.

Proposal No. 4 would provide for more and better developed recreational facilities in the state. One of Michigan's longstanding fine points is the excellent availability of recreational facilities for its people and for those who bring money into the state. But Michigan's recreational outlets are becoming overtaxed with new and more mobile populations. We urge a "Yes" vote on the proposition to keep Michigan moving in the area of recreational needs.

Proposal No. 5 on the state ballot is a proposed amendment to the State Constitution to allow members of the state legislature to be elected to a state office during their terms of office in the State Legislature.

While we take no position on the amendment, we offer the following arguments. In favor of the amendment is the idea that the state might well lose the service of good men by not allowing them to seek another office while in the legislature. It is possible that a good legislator, who would like to run for state office, might be reluctant to do so because he would lose his seat in legislature if he were to run.

Against the proposal is the idea that the amendment would encourage legislators to absent themselves from their legislative duties while pursuing election to another state office. This would also mean that a legislator would have nothing to lose by running and might not be as devoted to his campaign as he should be.

YES on Home Rule

On the Wayne County ballot, voters in all of Western Wayne County, will be asked to pass on a proposal for Home Rule government in the County. Proposal A on the County ballot will call for the setting up of a Charter Commission to write a charter for County home rule. This is a long overdue idea in Wayne County. The problems of our urban area are so great that new kinds of solutions must be found on an areawide basis. We urge a resounding "Yes" vote on the proposition.

YES on Community Colleges

Proposal B on the County ballot is a question of passage of 2.5 mills in taxation for the purpose of setting up community colleges in Wayne County. We have already strongly urged the passage of this proposal and do so again. Community colleges to serve the County will return the community's investment a hundredfold in the development of our human resources. We strongly recommend that every voter approve the tax levy for community colleges.

Proposal B applies only to the residents of Inkster, Wayne and that part of the City of Westland in school districts other than Nankin Mills and Livonia. The proposal will not be on the ballot in areas currently participating in the Schoolcraft College system, including the Garden City School District, Livonia and Nankin Mills.

It is of most vital importance that every voter make an effort to know the propositions before he goes to the polls Nov. 5. There will be little time to consider the proposals once the curtain has closed on the voter, and all of these issues are of great importance to our communities.

DON'T LAUGH MOTHER — It just could be that in the near future, "no home will be without one." The motorized one man pogo-stick or flying saucer is still in the experimental stages in various forms by several aircraft manufacturers but it well could be a handy item to have around the house some day to "pop" down to the store or over the house top to have coffee at a neighbor's ... really true ... you gotta remember, there were some people who laughed at Edison ...

If It Fits ...

Down with

By JIM FITZGERALD

Mr. Clean

Something a poet said recently has given me nerve enough to write a column my mother said I wouldn't dare write or she'd shoot me. It's about taking baths.

The poet is Philip G. Bronstein who, the newspapers said, intends to write some angry verse about such folk heroes as Mr. Clean and the White Knight.

"The soap companies, the plumbing industry and Madison Avenue have brainwashed the people of this country," Bronstein said. "Everybody is jumping in and out of their tubs and showers. The entire nation is obsessed with being clean. One Saturday night bath a week is enough for the normal human being."

Boy, I hope Mother read that. The first bath I can remember, I was probably about four years old. I had been playing hide and seek with my older sister, Terrible Jean, and some other roughnecks. They couldn't find me because I'd hidden in a barrel in my grandfather's barn. It was a barrel of tar. Jean finally pried me free. When we got home, the neighbors thought the block was being integrated.

MOTHER USUALLY supervised the baths at our house. This didn't mean she scrubbed backs. She guarded the bathroom door and checked against fake baths. I was not above filling the tub with water and then stirring it with a stick to produce the sounds of a boy bathing. I would also soak a towel and splash water on the floor. Then I'd dampen my hair in the sink, button my pajamas to my neck and run for bed.

The tar bath was something else. It was man's work and my father rolled up his sleeves and scrubbed with a brush usually used on the basement floor. He got me so clean he said I should probably be re-introduced to my sisters so they wouldn't think a stranger was sticking his nose in the frosting bowl. The bath hurt but there was one consolation. I'd fall in the tar on

Tuesday which was not a regular bath day. Wednesday was. So at least, after getting so clean on Tuesday, I could skip Wednesday's bath. I thought. But mother sentenced me to the tub again Wednesday anyway, simply because it was Wednesday.

From that day forward I have known that my mother and mothers everywhere are duped shills for the soap industry. I wouldn't be surprised if most of them are getting kickbacks from Proctor & Gamble — probably free cold cream, the better to slither with.

I PERFECTED my fake bath technique in high school. I was on the tennis team which practiced everyday. On bath nights I'd tell Mother I didn't need one because I'd taken a shower at school after practice. Beautiful. Until the Sunday our pastor took up a special collection to remodel the school gym which was in such poor shape "the shower hasn't worked in two years." Oh my.

Incidentally, old dogs can do old tricks. Today, I tell my golf buddies I'll skip a shower at the club because I'll take one when I get home. And I tell my wife the same thing I told mother about tennis practice. Only the game has changed.

POET BRONSTEIN is absolutely correct. A bath a week is enough. In fact, what with the incredible powers of Command and Right Guard a well-sprayed man might go dry even longer if he is careful. He should always know which way the wind is blowing and position himself accordingly. And he should never perspire (I'd say sweat, but mother is angry enough already).

I realize that on hot days a man must remain completely inactive to avoid perspiration. Which I think is marvelous. I often just sit in a cool tub all day. The only trouble is I can't sleep for fear someone will turn the water on. Onward and Upward.

El Salvador 4-C Club Youth Wins Florida Trip

By EARL THREADGOULD
Peace Corps Volunteer
El Salvador

Rene Ricardo Rodriguez, a 4-C Club member from Chalchuapa with whom I worked last year, recently returned from a two-week stay in the state of Florida.

Ricardo (Richard in English), as he is commonly called, won this trip by having an excellent corn project and then was selected because of his over-all achievement within the 4-C Club program.

Ricardo is serving his second year as president of the local 4-C Club, "El Occidental," of Canton Ayutla. He also has served as secretary of the same club. The year he was secretary he attended the National 4-C Concentration in San Salvador representing the Extension agency of Chalchuapa.

From the time he first joined the 4-C Club four years ago,

Ricardo has come a long way. Ricardo's father, too, has learned a lot from his son through the 4-C Club.

IN 1966, Ricardo had a small test plot of corn in which he used the recommended practices of planting, fertilization and application of insecticides. From this small test plot, Ricardo had good results getting about four times as much corn as his dad did from a comparable area.

Last year he got a 4-C credit

from the National 4-C Committee. One of the recommendations made was that the formula fertilizer be applied at planting time. His father wasn't convinced that this was the right way and so after Ricardo had planted about seven rows they stopped applying fertilizer.

About two weeks later, the Extension agent and I went out to Ricardo's home and found most of the fertilizer still not applied.

We went out to the corn

field, and the corn that Ricardo had planted with fertilizer was twice as tall as that which was without fertilizer. Ricardo's dad had the idea the fertilizer would burn the young corn seedlings, but here was proof that fertilizer helped.

THIS YEAR with Ricardo and his dad working together, they will have a still greater harvest because they are now using fertilizer in all their corn. Ricardo's dad, through

Ricardo, has learned better practices.

In June of this year, the four zone winners were brought into the National Agriculture Extension Office with their reports. Ricardo was selected on the basis of his report and an interview with the National 4-C Supervisor and the head of Ag Extension in El Salvador.

Thus, through the 4-C Clubs, Ricardo was statebound and off to new horizons during a two-week stay in Florida.

Yesterday's Headlines

20 YEARS AGO

OCTOBER 29, 1948 — Headlines proclaimed "Water Project Ready To Go". The Huron subdivisions in Belleville were to have city water by Christmas. A \$100,000 contract was awarded for extension of water lines to those areas.

Residents were urged to "Vote, Vote, Vote" in the Nov. 2 presidential election. Governor Kim Sigler was seeking re-election; his opponent being G. Mennen Williams.

Belleville High gridders finished second in the Suburban Six League by rolling up a 20-0 victory over Redford Union. The Romulus Eagles boasted a 14-0 win over their arch opponent, Milan.

Wedding bells rang that October for Maxine Bohl and Francis Sala.

15 YEARS AGO

OCTOBER 28, 1953 — "Van Buren Schools Face Another Blow" was the bold-faced head which greeted readers of the Enterprise-Roman. Already faced with serious financial problems, Van Buren Township Schools reeled from the impact of another legal maneuver on the part of Ypsilanti to annex a 14-square mile strip of Ypsilanti Township which encompassed the Willow Run Plant.

Teachers of Romulus Township Schools received a charter for the newly-organized Romulus Education Association. State MEA representatives were present for ceremonies.

The Belleville cross country squad won the runner-up title at the Albion Meet at which 16 state Class B schools were entered.

Society noted the marriages of Mildred Schultz and Gerald Niemann and Bernice Borio and Steven Sobodash and also the betrothal of Barbara Nevin and Clark Waite, Jr.

It's time to do your duty
Get out, and cast your votes!

The welfare of our future

To elect the right ones
Is up to me, and you.

If you have any "gripes" or

Now is the time to act.
The right is yours, to pick

Take advantage of the fact!

It takes no education
Or any fancy clothes,
Anyone can make an X
And show up at the polls.

St. Anthony's Bazaar Opens This Saturday

This year's St. Anthony's Bazaar will feature activities for the whole family. The Bazaar will be this weekend on Saturday and Sunday at the school hall on W. Columbia.

Included at the Bazaar will be a booth run by the Church's Youth group. Decorated like a casino, the booth will feature hot dogs, candy, ice cream and pop.

The men's club is handling the raffle while others are taking care of the bake goods booth, a floral arrangement booth, and various other types of fancy work booths.

This year's new booth is the Hooligan Booth, whose contents are being kept a secret.

The women will prepare ham and chicken dinners which will be served both Saturday and Sunday from noon to 4 p.m.

Mrs. R. Jorgensen Elected Chairman

The Southern Wayne County Area Association held its second meeting of the year Oct. 21, in the Youth Center of Flat Rock.

The meeting was called to order by the chairman of the association, Mrs. George Simons of Belleville. A Candle-light Rededication Ceremony was led by Mrs. John Thompson of Belleville. The members repeated the Laws and the Promise of the Girl Scouts.

The next meeting date was officially changed from February 20 to Jan. 28. It will be held in Belleville, time and place to be announced at a later date.

Mrs. Troy Brazell of Ann Arbor, Field Director, gave a state of the association address in which she stated that the Girl Scout population had increased over a quarter percent of last year's total. As the association structure is new to the

Coffee, as the story goes, is traced back to 850 A.D. Most authorities agree that it began with a goatherder, saying that he was an Ethiopian and others that he was an Arabian. They tell that he noticed his flock cavorting and jumping about in a strange manner. Upon investigation he saw that the goats were eating berries from a certain evergreen bush. He ate some too. His resulting feeling of exhilaration was so great that he reported the good news of this stimulating plant to one and all. The first coffeehouses opened in Mecca, Arabia in 1475 and the coffee was known as quahwah or bunchum (the bean). Dozens of cups were drunk while musicians played. And if a man failed to furnish his wife with sufficient coffee, she had an acceptable cause for divorce!

council, Southern Wayne had progressed along the new lines very well. Mrs. Brazell paid special recognition to troops No. 396 and No. 269 for outstanding program last year.

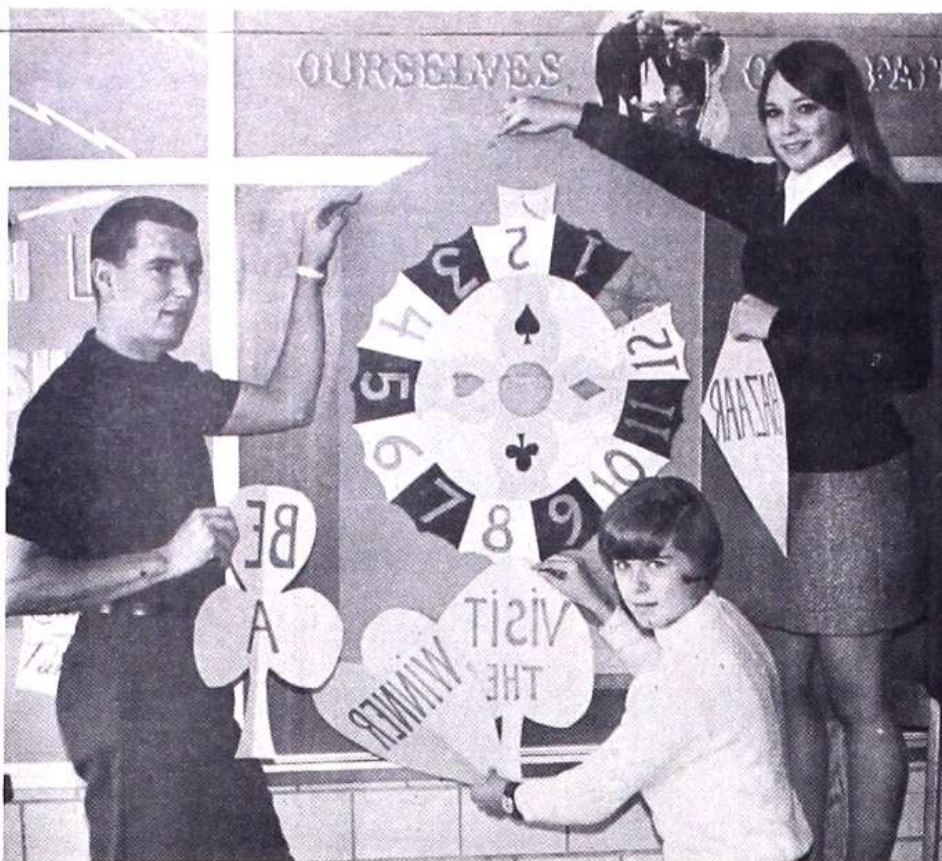

Mrs. H. M. Crooks, speaker for the program, spoke about Girl Scouting being for girls. She listed the Long Range Plan to inform the association of its concern for girls now through 1980. She explained the necessity of finance and program reports in planning for the future and gave them a pat on the back for its increase in the numbers of girls being served.

Mrs. Crooks has held many volunteer positions in Girl Scouting including leader, trainer, Finance Chairman and Third Vice-President of the Huron Valley Council. Currently she is the Program Chairman for the council attempting to broaden the advantages of a Girl Scout program to all ages and areas. She is also active in her church, PTO and the League of Women Voters in Ann Arbor.

Announcements included the date of November 3, Ann Arbor, for the Senior Speak Out, Calendar orders will be accepted for a short time by the council office and a reminder of the Nominating Committee meeting immediately following the program.

The meeting was adjourned for refreshments, coffee and a three-tiered Birthday Cake in honor of the Huron Valley Girl Scout Council's tenth birthday. The Nominating Committee elected Mrs. Richard Jorgensen of Belleville as their chairman. The committee proceeded to scan the names of possible delegates to the Annual Council meeting.

Members of the association will be contacted and a ballot submitted at the January meeting. The committee consists of - Mrs. William Ward, Flat Rock; Mrs. Fred Sullivan, New Boston; Mrs. John Mulligan, Carleton; and Mrs. J. P. Lamberson of Romulus.

TEEN CASINO - The Youth group at St. Anthony's Church are decorating a Casino which is where the teenagers will sell refreshments, and where those at the St. Anthony Bazaar can pause to chat with friends. Richerts Return Home From Trip to Europe

By
Mrs. William Havenstein
753-3801

Dr. and Mrs. Joseph Richert and son Joey returned to their home on Huron River drive last week after a trip which took them to Germany, England, Austria, Luxembourg and Holland.

London's Carnaby street shops were of great interest to Joey who brought home some of the Mod purchases made there.

While in Germany, the Richerts toured the city of Stuttgart and many small villages in Southern Germany. They were made welcome in the country by the friendliness of the people.

They visited many historic areas including battlefields of World War II, Monuments and Military Cemeteries.

They were impressed by the magnificence of the Rhine Castles of Germany and the Alps of Austria also the picturesque city of Salzburg.

The Richerts' two small daughters were cared for by their grandmother Mrs. Hulda

Richert and Aunt Retha MacKellar, while their parents and big brother vacationed.

The Junior High Band students have received their new sweaters. They are very attractive and a valuable addition to the appearance of the band.

The total cost of the sweaters is being paid by the band students through fund raising efforts.

The students have been selling cider and doughnuts at the Junior High football games and are planning a candy and Christmas Card sale in the near future.

The Willow Methodist Church will hold a family style Chicken Supper on November 6, starting at 5 p.m.

This is an opportunity for the family to have dinner out at the reasonable cost of \$1.75 for adults, \$1 for children with those under five, free.

Huron's Varsity Football Team will play Grosse Ile, there Nov. 1, at 7:30 p.m. The Junior Varsity will meet Davidson at Southgate for competition Oct. 31, at 4:00 p.m.

Also Oct. 31, the Seventh and Eighth Grade Team will play Airport, there at 4 p.m.

The students of Huron Junior High are busily taking orders for magazines in their subscription campaign now in progress. The annual fund raising project enables them to make special purchases for their school with the commissions earned.

You will find that they have a wide selection of popular magazines for you to choose from when they knock on your door. This magazine subscription sale is made possible through the Curtis Circulation Company.

Band Uniforms

Parents in the Huron School District are collecting band uniforms from former band members. The parents are gathering the uniforms, cleaning them, and storing them until such time a band may be restored in the District.

Parents have collected practically all the uniforms, and are only missing five hats and plumes and seven braids. Anyone who might have these items are asked to return them to the District office.

The parents would also appreciate any donations from individual citizens or groups who would be interested in helping to defray the cost of cleaning the uniforms.

Study Club Goes Hawaiian

Hawaiian music, leis, "Moo-Moo" gowns and Polynesian foods were the order of the day, as the Belcorse Family Living Education Study group held their monthly luncheon meeting at the home of Mrs. Gustel Coffman on Ecorse road, Oct. 21.

Mrs. Coffman, with co-hostess Mrs. Veronica Szabo, described the dishes of food, gave their Hawaiian names and told how each was made, as the group studied and learned about the 50th State.

MISS WOODWORTH

Kalamazoo Wedding Set

Mrs. Frank Woodworth of Kalamazoo has announced the engagement of her daughter, Alice Ferne to Jerold Lee Grashoff, son of the A. W. Grashoffs of Lakepointe Pass, Belleville.

The bride-elect, who is also the daughter of the late Mr. Woodworth, is a senior at Michigan State University. Mr. Grashoff is a graduate student and teaching assistant at Michigan State. He is affiliated with Phi Kappa Phi honorary.

The couple will be wed next summer in Kalamazoo.

Methodist Charter Meet Held

BELLEVILLE - The women of United Methodist Church of Belleville met at the church Oct. 17 to sign a new charter. The charter signifies the merger of the two women's groups of the former national Evangelical United Brethren and Methodist churches.

The new society will be known as the "Women's Society of Christian Service." Mrs. Ada Sager led the worship service. Rev. Allen B. Rice II, pastor, gave a history of the two churches and steps leading to the union.

After a solo by Ruth Baker and unison prayer, a potluck dinner was enjoyed after which the women adjourned to the church parlor.

Meditations were given on the "Bread of Life" symbolized by a loaf surrounded by the four basic ingredients, flour, milk, salt and yeast.

Taking part were Mrs. Gladys Mast, Mrs. Ruth Pollard, Mrs. Pat Speaks, Mrs. Millie Keelan, Mrs. Zula Hopson, Mrs. Avis White and Mrs. Pat Touse. At the close of the program the women present were invited to sign the new charter.

Kieft-Dolencic Vows Repeated At St. Aloysius

St. Aloysius Catholic Church was the setting for the Oct. 5 wedding which united Bonnie Jean Dolencic and Larry E. Kieft in marriage. The Rev. Joseph Kernosek officiated at the double-ring evening ceremony.

Parents of the bride are Mr. and Mrs. Joseph Dolencic of Ball rd., Inkster. Mr. Kieft, who resides in Ypsilanti, is the son of Mr. and Mrs. Edward Kieft of Grand Haven, Michigan.

For the occasion, the church was decorated with red roses and white gladioli.

For her wedding, the bride chose a white satin A-line gown featuring the traditional pointed sleeves. The sleeves and the neckline were frosted with Chantilly lace appliques and seed pearls. Her cathedral train was hemmed in lace, pearls and sequins.

A lace crown held her scalloped veil in place. She completed her ensemble with a bouquet of carnations, white roses and lilies of the valley.

Christine Bresnay of Romulus served as the honor attendant wearing a blue chiffon gown. Ruffles outlined the long sleeves, while a long beige bow encircled the waistline. The beige ribbon trimmed the hemline. She carried a bouquet of carnations and Shasta mums tinted blue.

Bridesmaids were Linda Brook of Romulus, Sharon Simpson, also of Romulus and Carol Dolencic, a sister of the bride. Their gowns were identical in style to the maid of honor, but were pink in color.

The bridegroom's cousin Nancy Bailey was the flowergirl. Dressed in a blue frock, she carried a basket of

blue carnations and Shasta mums.

Mr. Kieft asked his brother Roger to be the best man. Seating the guests were Douglas Vanderwall and Don Slagel of Grand Haven, and John Dolencic, brother of the bride.

Following the ceremony, the couple greeted more than 350 guests at a reception at the Romulus Progressive Hall.

For her daughter's wedding and reception, Mrs. Dolencic wore a blue linen ensemble with silver accessories. The bridegroom's mother selected a yellow crepe dress with a matching lace coat. Both mothers wore corsages of pink baby roses.

The couple departed for a wedding trip to New York and to Niagara Falls. They are now making their home in Ann Arbor.

The bride, a graduate of Romulus High, works for Judge Alton Shirley in Belleville. Mr. Kieft, who went to Grand Haven High School and Grand Rapids Junior College, is a trooper with the Michigan State Police Department.

CHRISTMAS IS COMING — The women of the morning circle at the United Methodist Church in Belleville work on Christmas decorations that will be for sale at the Church's Christmas Bazaar which is planned for Nov. 21. The Bazaar's theme is "Christmas is for Kids (of all Ages)." This circle is working on Christmas trees and small dolls for one of the Bazaar's booths. Pictured (l. to r.) are Jean Schweigert, Millie Keelan, Marguerite Greathouse, Carol Fitch, Pat Touse, Viv Koss and Lila Warra.

ROMULUS PERSONALS Parents, Children Compete In Halloween Costumes

By Pearl Morris Phone WH 1-1187

Cub Scout Pack No. 772 enjoyed a costume Halloween Party at the Romulus Elementary School, Olive street, October 9. There was plenty of excitement as costumes, of adults as well as youngsters, were judged; also when all participated in apple bobbing. Refreshments of donuts and cider were served. The next pack meeting will be held on the second Wednesday of November (13th).

Susan Ruffalo entertained several girlfriends at a Halloween Party from 1 to 4 p.m. last Saturday, at her home on Wayne road. Her guests were Linda, Ree and Pam Elliott, Marval McIntosh, Kathy Nehila, Debra Oldham, Deborah Wahrman and Carla Hay. "Mummy" was the most exciting game, besides square dancing. Appetizing refreshments were served by Susan's mother.

Mr. and Mrs. James Ogden of

Hollywood street are the parents of a baby boy James Benny, Jr., born October 8. The infant weighed 7 pounds, 5 1/2 ounces. The Ogdens also have two young daughters.

Local volunteers called from door to door the past week in Romulus Township asking contributions to the United Torch Drive. Mrs. Gary Gruber is chairman of Romulus and Romulus Township's Drive. The area's quota is \$719.

Mrs. Lewis Thompson and Mr. and Mrs. Clair Keller, all of Craig street, visited over the weekend at the home of the ladies' brother and wife, Mr. and Mrs. Stanton Coman, in Jackson. The Kellers also motored to Waldron and spent Friday night with his sister and brother-in-law, Mr. and Mrs. Franklin Bell.

The Romulus Service Mothers' Club is anxious that no Romulus Township person in service be forgotten by the club at Christmas time. They ask that local folks having

service men or women's addresses, please phone them to PA 1-3236 not later than Nov. 8.

Two of their sons, David of Nashville and Charles of Springfield, Tennessee, were weekend visitors at the Clyde Laine home on Ronald street. Saturday night the Laines entertained at a family get-together in their honor. On Saturday morning there was a family breakfast at the Tom Laine home on Haggerty road, after which the relatives had an opportunity to see Tommy Laine participate in Little League football in Belleville.

On Sunday a birthday dinner in honor of Mrs. Grant VanAernum of Romulus avenue was held at the home of Mr. and Mrs. William Kruger and family on Romaine street. Mrs. Kruger is a daughter of the Van Aernums. About 35 relatives were in attendance.

In addition to local family members, the following out-of-town relatives were in attendance: Mr. and Mrs. Rex Broesamle and sons of Hillsdale, Mr. and Mrs. Harry Jones, Mr. and Mrs. Maurice Taberna and son, Randy, all of Leslie, Michigan; Mrs. Don Deaber and children of Crown Point, Indiana, and Dick VanAernum of Ypsilanti.

Two local high school 4-H members, Marie Diepenhorst of Northline road and James L. Smith of Wayne road, were initiated into the Wayne County Service Club last Saturday evening at the 4-H Fairgrounds near Belleville. Marie and Jim are members of the Romulus Western Riders Club and are in their seventh year of 4-H club work.

The M.Y.F. young folks of the Romulus Community Methodist Church will collect for Unicef on Halloween night. The group will meet at 6 p.m. at the church and will cover most of the community. They will carry canisters so local folks will know them and give them contributions for UNICEF, rather than Halloween treats.

Senior Girl Scout Troop No. 345 is planning a Halloween supper and party on Wednesday, at St. Aloysius School. The following troop members, Nancy Holland, Faye Savage and Cathy Wilson, and leader, Mrs. Harley Savage, spent Friday night and Saturday camping out at Kensington Park. On Saturday they went bicycling through the park.

Cadet Troop No. 409 (Junior High girls) held a Halloween Party Tuesday, at the Senior High School. Any ex-scouter who has a uniform to sell or give away, it would be appreciated. Please phone Mrs. Harley Savage (941-0474). This would apply, also, to Girl Scouts who have outgrown their uniforms.

Milicent Block was a visitor from Dallas. She was a former publicity chairman of the Belleville Chapter. In addition there were four visitors from the Lincoln Park Chapter. Senior Regent Martha Morton and her husband Charles, along with Royal Order Secretary George Steger and his wife Louise, attended the Pilgrim degree in honor of Harry Krueger at the Adrian Moose Lodge Oct. 21.

A mid-season conference for the Women of the Moose will be held this Saturday at the Adrian Lodge. This is in conjunction with the LOOM mid-winter conference. The Library Committee will be in charge of the fish fries for the month of November.

Consumers Warned

Outwitting machines is a favorite sport, especially for men with a little larceny in their hearts. As fast as new machines are developed with "fool-proof" safeguards to prevent dishonesty, new methods of circumventing them are designed.

One new gambit involves gasoline pumps, according to Clyde O. Cottom, supervisor of Weights and Measures section, Michigan Department of Agriculture.

As Cottom explains, the

technique works like this: After a small sale of perhaps \$1 is registered on the pump, the attendant replaces the hose nozzle in such a fashion that the register does not return to a zero reading. When the next customer drives into the station for gas, he is shorted the dollar's worth already appearing on the register.

Gasoline customers should always check the pump and be sure it registers zero before the attendant starts filling their gas tank, the supervisor warned.

Morris Seeks Election To Charter Commission

ROMULUS — Carl W. Morris, 52, former president of the Romulus Community School District's Board of Education and prominent township community leader is seeking election as member of the Wayne County Charter Commission.

Wayne County voters will vote on a Home Rule Proposition for Wayne County in the Nov. 5 general election. A charter Commission of 35 members also to be elected by the voters will draft a County Home Rule Charter.

Morris, who is a life long resident of Romulus Township, resides at 13599 Huron River Drive with his wife, Beulah and their four children: Thomas B. 23; Donald, 22; Larry, 18; and James, 14.

HE IS a graduate of Romulus Elementary, Romulus High School (1934) and attended Michigan State Normal.

He is presently vice-president of the Romulus Community School Board of Education.

CARL W. MORRIS

He was appointed to the State Tenure Commission, Lansing 1961-66 and was elected to the Romulus Community School Board of Education 1947-68; Wayne County Intermediate School District Trustee, 1957-1968; Wayne County Association of School Boards, 1968 and the Michigan Association of School Boards 1966-68.

LOCAL WINNERS — Winners in the Zone Competition of the Punt, Pass & Kick contests sponsored in the Belleville area by Atchinson Ford Sales, Inc. 9800 Belleville Road and the Belleville Kiwanis Club are shown above with Kurt Atchinson. Left is Brian Schodeller, 8, of 204 Roland, Belleville; and Dennis Collier, 8, of 13872 Ashton, Romulus. The zone competition contests were held at Briggs Stadium, Eastern Michigan University Sunday, Oct. 20.

Washington Meet Calls Area ROTC

BELLEVILLE — Sergeant Cecil Frizzell, son of Mr. and Mrs. Cecil Frizzell Sr., of 105 Arbor Lane, will travel to Washington, D.C. to attend the National Meeting of the Association of the U.S. Army, (Oct. 28-30).

He will be one of ten Reserve Officer Training Corps cadet members of the WILLIAM O. DARBY COMPANY of Eastern Michigan University to attend this annual event.

The purpose of the Association of the U.S. Army is to foster, advocate and support the legitimate role of the U.S. Army and all of its components as an integral part of a sound national defense for our country.

There are currently 82 ROTC Cadet Chapters across the United States. The Cadet Chapters compete among themselves for six National Awards. Eastern Michigan University's DARBY COMPANY, in its second year of existence has just secured its second National Award. The Award for this year is for BEST OVER-ALL MEETINGS for the last school year.

While in Washington the Cadets will have the opportunity to attend various meetings, luncheons and dinners. Also in attendance will be many leaders from industry, government and the military profession. Among the scheduled speakers will be the Secretary of the Army Stanley R. Resor and the Chief of Staff of the Army General William C. Westmoreland.

The trip is being partially sponsored by the Detroit Chapter of the Association.

One of the most brilliant social whirls in official Washington revolved around Dolly Madison, who served as official hostess during the administration of the widowed Jefferson as well as that of her husband, James.

THE PROBLEMS ARE BIG

Pollution Out of Control...

Water and air pollution threaten to choke our very existence. These problems must be met head on — Today, before they really get out of hand. Combined action from Federal, State, and Local government in partnership with Industry is the only real answer to this problem.

Skyrocketing Spending...

Money can be most effectively administered at the local level. We need more programs where tax money is returned to local government to increase its efficient use. Gas tax money could go to local communities to support road improvement, an example of more efficient spending meaning less tax money needed.

Schools Need Help...

Our schools are in financial shock... we must find a more efficient way of financing our educational programs. I propose that a state income tax for Education replace our current outdated property tax. Monies, distributed and controlled at the local level, would support an improved educational program.

ROMULUS VOTES ON CITY ISSUE NOV. 5

Charter Commission Candidates List Qualifications

ALFRED J. PERRY

ROMULUS — The issue of City Incorporation for Romulus Township will again be up for voters' decision in the Nov. 5 general election.

Various social and civic groups along with a non-partisan citizens committee have been busy explaining and campaigning the issue throughout the township and urging its approval, the past two months.

Voters will also decide appointments to a Nine Member Charter Commission that will draft a Charter for the city operation. It will become operative only upon voter approval. The Township will not become a city on Nov. 6, if the voters approve but only when a Charter is voted on.

To assist voters in making their decision on candidates for Charter Commission, The Enterprise-Roman sent out questionnaires. Brief resumes on questionnaires received along with available photos follow:

Candidates seeking to serve on the Charter Committee are: Alfred J. Perry, 37600 Castle drive, present township clerk; Terry L. Troutt, 16325 Farnum; Jesse L. Tryon, 28350 Eureka road, Alfred A. Lucke, 10636 Inkster road; Gordon W. Zavitz, 6640 Gloria; Joseph Saval, 37535 Castle drive; Don Treder, 36899 Mario Anne Court; Mrs. Zenobia Jones, 35680 Goddard road; Mrs. Mickie Lopota, 6711 Merriman road.

Others are: Charles L. Dick, Jr., 3449 California; Felix F. Rogalle, 36510 Goddard road; Garnet Bunnell, 12100 Elmview; Emery M. Seestedt, 11576 Olive street; Mrs. Marie DeBuyscher, 37839 Westvale; Lynn Coleman, 6014 Colorado; Arthur Dittmar, Sr., 37104 Goddard road; James P. Foley, 30112 Eureka road; William M. Oakley, 9875 Tobine road; Lawrence J. Plank, Sr., 35963 Herman and Eugene Wilson, 34467 Van Buren road.

PERRY, 39, currently Romulus Township clerk, has been a community resident for 12 years. He and his wife, Sara Ann, are parents of eight children; Theresa, 12; Joseph, 11; Philip, 10; Paul, 8; Thomas, 6; David, 5; Andrew, 4; and Michael, 3.

He is a 1946 high school graduate and former Justice of the Peace for Romulus Township prior to being elected township clerk.

In commenting on his candidacy, Perry said: "As Township Clerk I believe I am the closest to the problems that exists in Romulus. I am in a unique position to express these views with experience to the eight other Charter Commission members and to assist strongly in adopting the right type of laws by which the people, of Romulus will be governed should City Incorporation go through on Nov. 5.

"To keep from being infiltrated by neighboring communities I urge township residents to vote Yes for City Incorporation."

TERRY L. TROUTT, 48, former Democratic state senator of the 13th District, has been a resident of Romulus for 27 years. He is married and the father of two children. He is self-employed.

Troutt is a former Romulus Supervisor and currently president of the Romulus Democratic Club, and a member of the Board of Directors of the Peoples Community Hospital Authority. "I believe my past

experience as township supervisor and state senator qualifies me for this office," Troutt stated of his candidacy.

"There is a good possibility that Romulus may become a city and a good charter is vital to proper development of Romulus," he added.

ZAVITZ, 27, has resided in Romulus three years. He and his wife, Donna Lee, are parents of two children; he attended Clarenceville, Dexter, Ann Arbor and Cass Tech Schools. He is treasurer of Romulus Democratic Club, PTA member and past vice-president of Romulus Homeowners Association.

"I feel that Romulus is a growing community and I want to be a part of its growth. I have a genuine interest in the problems of the township and the people who reside in it. Constructing a charter for a new city is a big step and I would like to represent the citizens of Romulus on this commission. I am young and worked and talked to many people, I feel that I can convey their message to the commission."

TREDER, 33, registered civil

engineer, has been a Romulus resident for 33 years. He is married. Treder and his wife, Mary Lee, are parents of four children.

He attended Romulus High, Henry Ford Community College and the University of Michigan. He holds a Bachelor of Science Degree in Civil Engineering (1958).

"I am qualified. It is time for Romulus to take a good look at the advantages and disadvantages of city status. I can be of assistance in drawing up an acceptable City Charter. I can give a realistic cost to the resident of Romulus."

I was born and lived in Romulus all my life. I am very interested in the future of Romulus and to protect our low tax base and boundaries from annexation attempts. I am a graduate civil engineer. A city charter contains many engineering principals."

VB Supports Water, Recreation Proposals

BELLEVILLE — The following resolution on Clean Water and Quality Recreation Bond Programs was approved by the Van Buren Board of Trustees Oct. 22.

Van Buren Township officials gave its full and enthusiastic support to the programs in this official action.

WHEREAS the control of water pollution and the provision of adequate recreation and preservation of open space are outstanding needs for today, and have high priority for public action in the immediate future;

WHEREAS problems of clean water and quality recreation in the many communities of the State arise in great part from the incapacity of urban governments to finance capital improvements;

WHEREAS state level financial support and encouragement will enable each community in the State of Michigan to do its share in restoring and maintaining high standards of water quality in the lakes and streams of the State and the Great Lakes;

WHEREAS cities, counties, and townships would make significant advances in the field of recreation under the stimulus of a grand-in-aid program funded and administered by the State;

WHEREAS the state park, forest recreation, fisheries, and wildlife programs need enlarged and dependable financial support in order to provide the urgently needed increases in lands and facilities;

WHEREAS the availability of funds for recreation land purchase, facility development, and water pollution control will encourage the adequate treatment of these elements in comprehensive community plans and in conjunction with the state-wide plan;

WHEREAS the availability of these funds will lead to implementation of community and State plans for recreation and pollution control;

WHEREAS the Michigan Legislature and the Governor of the State of Michigan have provided for placing on the November 5, 1968, general election ballot for vote of the people of the State proposals for authorization of two general obligation bond issues to be supported by full faith and credit of the State of Michigan which would: (1) provide \$335,000,000 for aid to communities in sewage treatment plant construction; and (2) provide \$100,000,000 for recreation land acquisition and development, including provision for both state level projects, and grants-in-aid to communities;

NOW THEREFORE BE IT RESOLVED that the Van Buren Township Board gives its full and enthusiastic support to the Clean Water and Quality Recreation Bond Programs and urge all its members and other citizens of the State of Michigan to become informed and favorably support this valuable natural resource program.

AMERICA'S JET DEBUT — In July 1954 the first jetliner made in the United States flew for the first time. Easing in for a landing after the historymaking flight is the first Boeing 707 prototype. After going through four years of the testing and evaluations it was the first US jet to fly commercial schedules when it flew from New York to Paris in October, 1958.

"THIS FLYING WORLD"
By Bill Balogh

A BIG BIRTHDAY was reached this past weekend. Greatest in the world, America's era of commercial aviation jet travel was 10 years old.

It all began on Oct. 26, 1958, a rainy Sunday night, when a Boeing 707 jetliner, painted in the blue and white colors of Pan American World Airways, lifted from the runway at then-called Idlewild Airport, and headed out eastward over the Atlantic ocean.

For the first time in American aviation history, a huge sky giant powered by pure jet engines was enroute on a his-

The successful arrival of the jet age in commercial aviation was unquestionable. The giant

Boeing jetliner had carried 111 passengers in one-fourth the time from New York to Paris over the same route that the world famous Colonel Lindbergh had flown 31 years before taking 33½ hours.

In the short, but fast, decade since then, the jetliner has become an essential cog in the social and economic ways of our modern life. Patterns of transportation have been vastly transformed the world over. Man's way of travel has been altered wherever he may have to go, sell his products or ship his goods.

Strange, but very true, the jet airplane has within a few years

made the world smaller and at the same time larger. Smaller by putting almost any destination in the world within a few hours reach and much larger by expediting travel to far away places and helping to increase the scope of human experience, understanding and knowledge.

The world's airlines criss-cross continents and bridge oceans every day and night of the week. Efficiently, swiftly and comfortably the turbine-powered aircraft of the many carriers carry loads of passengers, freight and mail, helping to tap the markets of the world never dreamed possible before

and in many cases offering opportunities where none even existed before.

Measured by jet distance the United States is now only two hours deep and five hours wide. London is less than six hours from New York, and Tokyo, Japan, is only ten hours from Seattle, Wash.

The most fantastic air transport growth has been triggered by the advent of jet travel. Till 1958 when piston-powered aircraft still dominated the skies, an undreamed of record 88-million passengers travel on scheduled airlines of the free world.

One year after the jetliners made their debut, air passenger travelers climbed to over 98-million. Only nine years later after the first jetliner took off from Idlewild Airport in New York, 1967 logged over 230-million passengers taking to the skyways.

Research and every possible projection points to even heavier growth of air travelers in the years ahead, possibly a tripling of air passenger traffic and over an eight-fold increase in the biggest bonanza of the aviation industry, the air cargo business.

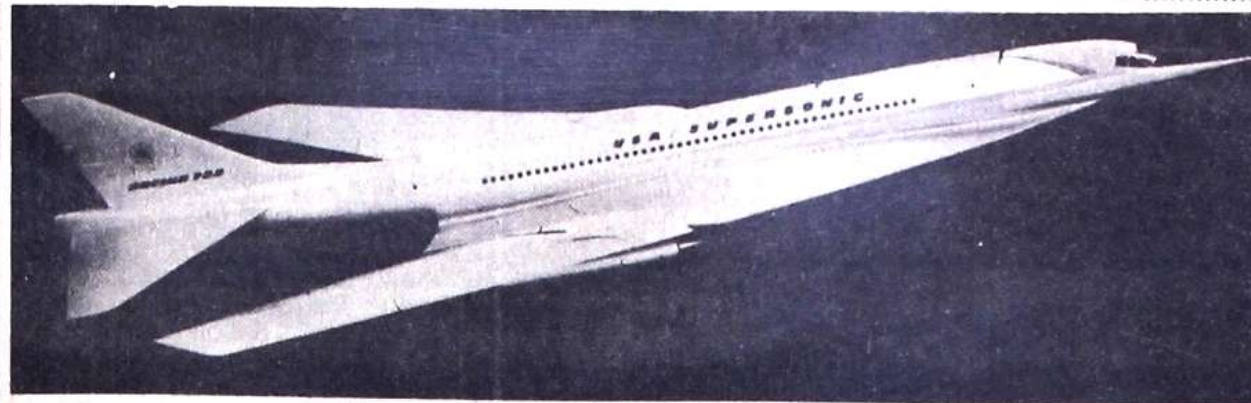

Thus a bright, fruitful future is evident for the aviation in-

dustry as the jet-age begins its second decade this week for commercial service. Just around the corner, some already in test stages, are giants larger and more powerful than anything flying in the world today.

Supersonic airliners that will carry passengers to Paris from New York in three hours at speeds of 1,800-miles-an-hour and cargo aircraft that will carry loads over 725,000 pounds will be supplemented with new vertical takeoff and landing aircraft for better service, quickly and efficiently with outlying areas, and someday also linking neighboring communities.

The first of the jumbo jets are already operating from nearby Metro Airport, DC-8 jetliners can be seen daily carrying 190 to 250 passengers per flight. Miami, Fla., is only two hours 35 minutes from Metro, New York City is less than an hour. Los Angeles is four hours from here.

The jetage is well established and is here to stay. It is right here in our backyard. It will be only a matter of time, not very long at that, when people of Western Wayne will be able to get away for a weekend in London or Paris at special weekend excursion fares.

SUPERSONIC FLIGHT NEAR — Already under construction and not too far in the near future is the Boeing SST (Supersonic Transport). The SST will carry 250 to 300 passengers at speeds of 1,800 miles per hour. London and Paris will be less than three hours from U.S. shores.

10th Birthday for Jet Age Marked by Soaring Success

Civic Searchlight Gives Top Rating to Morgan

PLYMOUTH—Donald C. Morgan, candidate for Wayne County Charter Commissioner, has received the top rating from Civic Searchlight, the metropolitan area's non-partisan, good government group.

Morgan, seeking the Republican nomination to the commission in next Tuesday's election, is running in the 27th Charter district, which includes Belleville, the southern half of Taylor, Plymouth and the townships of Romulus, Van Buren, Sumpter, Huron, Canton and Plymouth.

In ratings announced early this week, Morgan was design-

ated "Well Qualified" by Civic Searchlight.

Because of the large number of candidates running for the charter commission throughout the county, the Civic Searchlight group did not award a "preferred" rating to any of the candidates.

"I am grateful to the Civic Searchlight organization for taking the time to examine the qualifications of the various candidates in the 27th district and for rating me 'Well Qualified,'" Morgan said.

"Even more important," the candidate added, "I am pleased

that Civic Searchlight joined the Associated Newspapers in endorsing the county home rule charter proposition on the Nov. 5 ballot."

Morgan, the only attorney seeking the GOP nomination in the 27th District, has waged his campaign on the theme of "insuring a more responsive county government."

"Some people have been trying to kill the idea of county home rule by claiming it would mean more taxes," he noted. But the truth is that a well-written charter could save homeowners a lot in taxes which are now being wasted by bureaucrats."

125 Attend 100th Birthday Party

ROMULUS - Over 125 relatives gathered in a Romulus Township home Oct. 12 to celebrate the 100th birthday of their mother and grandmother. Recipient of family tributes was Mrs. Edith Warren who was born in a log cabin on land

and all of that time she has been just like my own mother. She is loving and kind. She has been a joy to us and we are

very happy and lucky to have her with us." Mrs. Warren's own mother lived to be 121 years old.

MRS. EDITH WARREN that is now Dexter Avenue in the heart of Alabama. The birthday party was held in the home of her daughter and son-in-law Mr. and Mrs. James Bloxson, 6251 Fourth Street, Romulus.

MRS. WARREN is the mother of 15 children, 52 grandchildren, 173 great grandchildren, 73 great, great grandchildren and 21 great, great, great grandchildren, five generations in all, her daughter reported.

Mrs. Warren says that she remembers many things from her childhood and life. She is presently suffering from a lung condition that makes it hard for her to talk for any length of time.

Of Mrs. Warren, her son-in-law, James, says: "Mom is living proof that all those mother-in-law jokes are just a lot of baloney. She has lived in our house for 26 years

Van Buren Rejects Plea

BELLEVEILLE - A request by the Van Buren Township Recreation Commission for funds to promote a proposed millage increase to finance year-round recreation for area residents, was denied by the Van Buren Township Board, Oct. 22.

Board members denied the petition promotional petition on grounds that "it was political and under the law" the board couldn't authorize the expenditure of \$200 that was requested.

The recreation commission wanted the funds to pay for printed giveaway material urging approval by voters of the proposed one-mill levy in the Nov. 5 election.

Teachers Institute Draws 300

BELLEVEILLE - The Van Buren School District Teachers' Institute held last Friday, Oct. 25, at the Belleville High School Cafeteria attracted some 300 teachers.

The main address entitled "School Community Relations" was presented by Richard Allen Huston, graduate counselor and administrative assistant at the University of Michigan.

The workshops held embraced nearly all phases of educational services and programs. Displays drew considerable amount of interest and discussion.

Dale E. Kaulitz, Van Buren Public Schools' superintendent addressed the gathering. His talk was entitled "Professionalism."

Roland Wolfe, district Michigan Education Association president spoke on

"What the MEA Does For You." Keith Drayton, choir director, presented the high school choir in a program of selections.

Ross Presents Plan for Locating District Court

BELLEVILLE — Francis Duane Ross, nominee for election as Judge for the 34th Judicial District on the Non Partisan Ballot at the General Election to be held Nov. 5, held a news conference today to explain his proposed plan for location of the new District Court.

"With less than two full months between the time of election and the commencement of business by the new court system, the location of the new court headquarters is of immediate concern."

"When I am elected, I propose to ride the circuit! I propose to sit in each geographical area at regular

times each month and perhaps each week in the areas where the Court's business so requires.

"Except for the small claims division and the criminal division of the Court's work, this will be a temporary arrangement. These two divisions can be handled in the present facilities available in the municipal buildings without further housing costs to the tax payers."

"I PROPOSE to ask each geographical governing body within the District to join with each other local governing groups within the District in the rental of a building to house the Court Headquarters. This would be a building large enough to house a Court Room, Jury Rooms, Offices and filing and storage space. It would house a single staff for the court, except those persons permanently assigned to the local area and it will reduce over all administrative and housing costs to the tax payers by as much as sixty per cent."

"Under the law, the people of Huron, Romulus, Sumpter, Van Buren and the City of Belleville are required, through their local governments to pay for operating, maintaining and staffing this Court. I believe

they are entitled to have the service of the Court reasonably convenient to them; and, insofar as it is possible to have all revenue of the court to which they are entitled returned to the political body wherein the action originated."

Ross explained that the location of the District Court Headquarters proposed would depend on availability of such a building or space.

He cautioned that it would be necessary that it be as near as possible to the geographical and population center of the District.

Meridith Announces Candidacy

A. L. Meridith, W. Outer Drive, is candidate for Drain Commissioner on the Republican ticket. Al has been a resident of Wayne County some 50 years and is an attorney.

Meridith has, among other things, been active in the Boy Scouts for 40 years, The American Red Cross, a Past Commander of a Coast Guard Auxiliary Fletilla, 25 years a member of Selective Service and presently Chairman of a Board; an ardent conservationist, being a director and former vice-president of the Michigan United Conservation Clubs, and vice-chairman of the Conservation Committee of the State Bar of Michigan.

He also has been active for 25 years as advisor at the Wolverine Boy State, an organization dedicated to giving our youth a better understanding of the functions of our Government, and sponsored by the American Legion.

He is also active in fraternal affairs, and also is at present vice-chairman of the Wayne County Republican Committee.

Meridith says that too many of the laws of the office of Drain Commissioner are archaic and oppressive. He believes he could do many things in changing the laws and relieving the burdens caused by the almost confiscatory assessments now levied against property.

Clinic Sets Open House

SUMPTER — To celebrate the opening of the new dental clinic at the Sumpter Health Center, 24101 Sumpter Road, an open house will be held on Nov. 17, 1968 from 1 to 4 p.m. The public is invited.

At present, the clinic is open week days from 9 a.m. to 4 p.m.; PRESCAD eligible children under nine years of age are being seen, but in the near future this age limit is expected to be raised to include children through nineteen years of age.

All routine dental care, including cleaning, fluoride treatments, fillings and extractions is being done in the dental clinic.

Parents of children who are PRESCAD eligible and in the nine year or under age bracket should call 697-9455 if they desire an appointment.

If appointments cannot be kept for any reason, a twenty-four hour notification is requested so that the appointment time may be filled in for another child who needs dental care.

VIEWING COLOR SLIDES — Rev. Allen B. Rice, II, pastor of United Church of Belleville (right) displays for discussing slides of his recent trip to Europe as a group leader at Belleville Rotary Club's Oct. 22 meeting. With Rev. Rice are (left to right) Dale Wagenknecht, Republican candidate for Michigan's 38th Legislative District; and Joseph Sietz, Rotarian.

ELECTION NOTICE

TO THE QUALIFIED ELECTORS OF HURON TOWNSHIP COUNTY OF WAYNE

Notice is hereby given that a GENERAL ELECTION will be held in the Township of Huron, County of Wayne, State of Michigan, on

Tuesday, November 5, 1968

From 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon Eastern Standard Time:

At which time the qualified and registered voters of Wayne County and of each political party may vote for party candidates for the Office of

TWO TOWNSHIP TRUSTEES

NOTICE OF WHICH is hereby given by the Township Clerk as provided for in Section 168.653 and MSA 1653, as amended.

WILMA J. WILSON, Clerk Township of Huron

What do they know in Washington about our problems?

You can be sure they know a lot more than they did before Bill Ford went to Washington as our Congressman!

Congressman William D. Ford took with him to Washington an outstanding background of experience and public service.

- A practicing attorney since 1952.
- A local judge, deciding both civil and criminal cases and learning first-hand the responsibility of a judge who must pass sentence on his fellow man.
- A school-board, city and township attorney, so that he knows what it is like to prosecute law-breakers, as well as serve as a defense attorney.
- Delegate to the convention which drafted Michigan's Constitution, serving as vice-chairman of the Judiciary committee which reformed Michigan's Court System.
- Member of the Michigan State Senate, and served on the Judiciary and Municipalities Committees which wrote the legislation putting the new constitution into effect.

In all these varied positions, Congressman Ford worked closely with police officers, prosecuting attorneys, judges, city and school officials, teachers, county officials, and state officials. He knows first-hand the problems they encounter and the difficulties they experience.

Since his election to the House of Representatives, Congressman Ford has held annual conferences in Washington and in Michigan for local officials, educators, school-board members and small businessmen in the 15th District, giving them an opportunity to learn first-hand about Federal Programs which can assist in solving local problems. Recent conferences have covered:

- * Crime and law Enforcement
- * Senior Citizen Housing
- * Federal Aid Programs for Schools
- * Urban Renewal
- * Sewer and Water Problems
- * Air and Water Pollution
- * Community Health
- * Small Business Problems

Every year since his election, Congressman Ford has sent questionnaires to every resident of the 15th District. The responses to these questionnaires have been brought to the attention of his fellow Representatives in Congress and the appropriate Executive officers. This year more than 15,000 residents of the 15th District expressed their opinions on the major issues of the day.

Yes, they do know a lot more in Washington about our problems. The people of the 15th District have an effective voice in our nation's capital. Congressman Ford has built a solid reputation as a hard working articulate and aggressive advocate for our District, our state and country. His seniority after the past four years of service in Congress will give him an even more effective voice in the future.

That's why it is so important that we keep congressman Bill Ford as our voice in Washington

TOWNSHIP of HURON RESOLUTION

ON CLEAN WATER AND QUALITY RECREATION BOND PROGRAMS

WHEREAS the control of water pollution and the provision of adequate recreation and preservation of open space are outstanding needs for today, and have high priority for public action in the immediate future;

WHEREAS problems of clean water and quality recreation in the many communities of the State arise in great part from the incapacity of urban governments to finance capital improvements;

WHEREAS state level financial support and encouragement will enable each community in the State of Michigan to do its share in restoring and maintaining high standards of water quality in the lakes and streams of the State and the Great Lakes;

WHEREAS cities, counties, and townships would make significant advances in the field of recreation under the stimulus of a grand-in-aid program funded and administered by the State;

WHEREAS the state park, forest recreation, fisheries, and wildlife programs need enlarged and dependable financial support in order to provide the urgently needed increases in lands and facilities;

WHEREAS the availability of funds for recreation land purchase, facility and development, and water pollution control will encourage the adequate treatment of these elements in comprehensive community plans and in conjunction with the state-wide plan;

WHEREAS the availability of these funds will lead to implementation of community and State plans for recreation and pollution control;

WHEREAS the Michigan Legislature and the Governor of the State of Michigan have provided for placing on the November 5, 1968, general election ballot for vote of the people of the State proposals for authorization of two general obligation bond issues to be supported by full faith and credit of the State of Michigan which would: (1) provide \$335,000,000 for aid to communities in sewage treatment plant construction; and (2) provide \$100,000,000 for recreation land acquisition and development, including provision for both state level projects, and grants-in-aid to communities;

NOW THEREFORE BE IT RESOLVED that the Township of Huron gives its full and enthusiastic support to the Clean Water and Quality Recreation Bond Programs and urge all its members and other citizens of the State of Michigan to become informed and favorably support this valuable natural resource program.

This is to certify that at the regular meeting of the Township of Huron held October 23, 1968 the foregoing resolution was offered by Trustee Kreyger and supported by Trustee Raker.

The resolution was unanimously adopted.

1968 Detroit Auto Show Opens Queen Contest

A total of \$500 in clothes and cash will be awarded to the Michigan Miss selected as queen of the 1968 Detroit Auto Show, Harry Tennyson, chairman of the show, announced.

The competition is open to all single girls between the ages of 18-23 who reside in the state of Michigan. Those desiring to enter the competition should send an 8x10 photograph with their name, age, height, weight, vital statistics and address printed on the back to "Miss Detroit Auto Show," Detroit Auto Dealers Association, 6525 Lincoln Avenue, Detroit, Michigan 48202. Deadline for entries is Monday, Nov. 18.

Ten finalists will be selected from among photographs submitted with the winner being announced Thursday, Nov. 21 at the Detroit Press Club. Judges will conduct personal interviews with the finalists at that time.

MISS DETROIT Auto Show will preside at the official opening of the nine-day show at noon Saturday, Nov. 30 and will receive a \$250 wardrobe

from The Village Store and a \$250 cash prize, Tennyson said.

The Auto Show opens at Cobo Hall Nov. 30 and runs through Dec. 8. More than 300 domestic and import passenger cars, campers and motor homes will be on display.

Included in the \$1.50 admission price is a twice-daily stage show (at 4 and 8 p.m.) featuring such top entertainers as Detroit Tiger Pitcher Denny McLain, comedian-singer Paul Lennon, ventriloquist Jimmy Nelson and Bob Durant and his orchestra.

INTERNATIONAL VISITORS - Charter Night ceremonies for the Belleville Area Lions Club drew some 300 visitors. Among those who attended the Oct. 12 affair were, left to right: Mrs. Genevieve Rahn, her husband, Herman Rahn, district governor of Lions International District A-1, Ontario; Mrs. Betty Wray and husband, Cliff Wray, president of St. Thomas, Ontario, Lions Club. A Canadian flag was presented to the Belleville Lions Club by the St. Thomas Lions.

Special Yule Mail Ship

BELLEVILLE - Tons of St. Nick's gifts will be going to members of the Armed Forces in Vietnam by special ship this year, thanks to a joint Pentagon-Post Office venture, area postmasters reported.

A fast US cargo ship will be designated the "1968 SANTA CLAUS SPECIAL," sailing from Oakland, California next month with Christmas parcels.

To meet the sailing deadline and assure pre-holiday delivery of gifts sent with surface postage, items should be mailed during the Oct. 14 - Nov. 9 period.

They should be marked "SANTA CLAUS SPECIAL" just below the stamps.

The "SANTA CLAUS SPECIAL" will sail during the latter half of November and stop at Da Nang, Qui Nhon, Cam Ranh Bay and Saigon, Vietnam. It takes approximately three weeks for a fast ship to cross the ocean.

All gifts should be packed in strong containers with adequate cushioning and correctly addressed, including APO and FPO numbers.

There are several options available for mailing to the military which can save money.

Post offices across the nation have free pamphlets available which outline the mailing programs for servicemen and women overseas.

Church Announces

Chicken Dinner

BELLEVILLE - The Annual Chicken Dinner of United Methodist Church of Belleville will be held Sunday, Nov. 10 at 1 p.m. Rev. Allen B. Rice, II, pastor, announced.

The church will entertain ladies from the Wayne County General Hospital. Rev. Roger Arnett will arrange transportation. And those who can furnish transportation or food are asked to contact Rev. Arnett. Volunteers are needed to serve.

Moose Halloween Party

BELLEVILLE - The Loyal Order of Moose, Belleville Lodge No. 934 will hold their annual Halloween Party for the children of the Community tomorrow (Thursday, Oct. 31) on the Moose grounds starting at 6:30 p.m.

Civic Affairs Chairman Lester Riney, reported that there will be free roasted hot dogs, delicious apple cider, and there will be prizes awarded for the best costumes.

This annual Halloween party put on by The Loyal Order of Moose is made more successful with the help of the many business men of the Community who donate to this annual event.

Our many thanks to all of

Junior Miss Invitation

ROMULUS - The Romulus Jaycees visited both Huron and Romulus Senior High Schools on Monday showing the Junior Miss film and passing out applications for Senior girls wishing to enter.

Entries will be judged in the categories of scholarship, youth fitness, creative and performing arts, poise and appearance and mental alertness.

The 1969 Huron Valley Junior Miss Pageant will be held 8 p.m. Saturday, Nov. 16, 1968 at the Romulus Junior High School on Olive Street.

The local winner travels to Redford in December for the regional finals. There will be more information next week.

EMU Sets Orchestra Concert

YPSILANTI - The first concert in a series by the Eastern Michigan University-Civic Orchestra will be presented at 4 p.m. Nov. 3 in Pease Auditorium.

This marks the first local appearance of the orchestra's new conductor, Edward J. Szabo, associate professor and instructor of cello and chamber music.

The program includes "Concerto for two trumpets and strings in C" by Vivaldi; Schubert's Symphony No. 8 in B minor ("Unfinished"); and Riegg's "Dance Rhythms." It continues with "A Night on Bald Mountain" by Moussorgsky and concludes with "Emperor Waltz" by Strauss. Ray Rice and Charles Larkins, students of Carter Eggers, will be trumpet soloists in the Vivaldi concerto.

Dr. Szabo, who joined the music department in September, has been a member of the faculties of Teachers College, Columbia University; Drew University, Montclair and Glassboro State Colleges in New Jersey; and Central Connecticut State College.

Abit of Halloween History

Halloween nowadays is an evening of fun for the little ones, of dressing up in costumes, going to parties, and begging goodies door-to-door.

But Halloween once was a time of terror - and the costumes children wear on Halloween night reflect that far-off time.

The Druids, an order of priests in ancient Gaul and Britain, believed that on Halloween ghosts, spirits, fairies, witches and elves came out to harm people. They thought the cat was sacred, and believed that cats once had been human beings but were changed as a punishment for evil deeds.

FROM THESE druidic

beliefs, World Book Encyclopedia says, come the present-day use of witches, ghosts, and cats in Halloween festivities.

The Druids had an autumn festival called Samhain (pronounced SAH win), or summer's end. It was an occasion for feasting on all the foods which had been grown during the summer, and for this reason the custom of using leaves, pumpkins, and cornstalks as Halloween decorations also comes from the Druids.

The Roman Catholic Church named Nov. 1 as All Saints' Day, and the evening before it was called Halloween, which means hallowed or holy evening.

The Christian feast day and

the old pagan customs were combined into the Halloween festival.

Club Election Announced

ROMULUS - At the October meeting of the Thunderbird 4-H Club the following officers were

installed: John Shine, President; Shallmar Beaty, Vice President; Rita Crews, Secretary; and Tim Katona, Treasurer.

The meeting was held at the home of their leaders, Mr. and Mrs. Chris Fischer, on Wayne Road.

Club members enjoyed a hayride at the home of Mr. and Mrs. Edsel Beaty on Oct. 19. The ride was climaxed with a bonfire, where hot dogs and marshmallows were roasted. A fine time was enjoyed by all.

The club's next meeting will be held at the John Shine home on West Road Nov. 20 at 7:30 p.m.

Church Bazaar Set

THE ROMULUS DEMOCRATIC CLUB SUPPORTS THE BEST CANDIDATES AND URGES

YES VOTE!!

ON CITY STATUS FOR ROMULUS TOWNSHIP

GRASSROOTS... we realize that this is a Presidential Election and all eyes seem to be focused in that direction, which they should be. We must, however, not forget what Romulus Township has on the ballot on local issues. If Romulus Township elects to

incorporate, we will be starting at the grass roots. That is why it is so important to elect a charter commission that will form a charter for Romulus that will be most equitable for everyone.

THE FOLLOWING DEMOCRATIC CANDIDATES WERE ENDORSED AS CHARTER COMMISSION MEMBERS AND ...

We Request Your Support and Vote for These Candidates

MARIE DIANE DE BUYSSCHER

Multiplication Without Tables

By WILLIAM LOYD
Math Teacher

Man was fascinated when he invented numbers and methods to use them. In fact, in ancient times, computing was a special art used only by a select few.

But as time passed man's life became more complex, the few became the majority and computing began to seem more like work than play. So, man started to search for ways to shorten the work of computation. This led to mathematical tools such as the abacus, slide-rule, adding machines and electronic computers.

But man has not eliminated the need for "old-fashioned" arithmetic. You can't carry an adding machine to check a grocery bill, lunch check, bank statement, or payroll check.

However, there are many short cuts that can help you in the everyday "old-fashioned" arithmetic.

ONE OF the short cuts that can give you more speed is found in multiplication by Five. First let's look at

multiplication by 10. When you multiply any number by 10, just move the decimal point over one place to the right (.053 x 10 = .53), or for numbers without decimals just add a zero to the end (53 x 10 = 530). Easy.

To multiply any by five, just divide that number by two, and then multiply by 10. Here is how it works. Write down this problem: 198 x 5 =. Now divide 198 by 2, and get 99. Now multiply this answer by 10 (or just add a 0 on the end), and your answer is 990.

Try this one, if you earn \$2.56 per hour, how much have you earned for 5 hours of work? 2.56 x 5 =, divide 2.56 by 2, this equals 1.28. Now multiply 1.28 by 10 (just move the decimal point one place to the right), and you get 12.80 or \$12.80. Try these: 29 x 5, 416 x 5, 357942 x 5, 1.29 x 5.

(Editor's Note: This is the third of a series on The Trachtenberg Speed System of Basic Mathematics by William Lloyd, math teacher at Belleville Junior High School.)

NOTICE OF PUBLIC HEARING

ON AMENDMENT TO ORDINANCE NO. 65-86, ZONING ORDINANCE OF THE CITY OF BELLEVILLE

PLEASE TAKE NOTICE, that by direction of the City Council of the City of Belleville a public hearing will be held on the 18th day of November, 1968, at 8:00 o'clock p.m. in the Council Chambers at 6 Main Street, in the City of Belleville, County of Wayne and State of Michigan, for the purpose of granting any person interested the right to be heard by the City Council on a proposed amendment to Map Area 21-A of the zoning map of the City of Belleville.

Amendment to Map Area 21-A will change the present R-T zoning to a B-1 zoning in the area described as:

Lots 182-187, both inclusive, and Lots 174-179, both inclusive, Assessor's Belleville Plat No. 4.

TIGER TALES

Success is the key word for the Afro-American History Club, which held its first meeting Wednesday, Oct. 23, at 7:30 in room 105.

Things got under way when Richard Steiger, sponsor of the club, called for an election of officers. The following officers were elected: Beverly Muse, president; Craig Stabnau, vice-president; Diane Atkins, secretary; Wendella Devers, treasurer; and John Reid, student council representative.

A better understanding between the white and Negro people is the basic reason for the club. A committee, headed by Wendella, will help to get things started. Some suggestions made by the rest of the group to help the committee were guest lectures, educational trips, and possibly a dance.

Every first and third Wednesday of the month there will be a meeting at 7:30 in room 105. Anyone interested is welcome to join.

FUTURE NURSES are presently working on their annual Halloween project, similar to that of last year. Small organ hobo sacks, filled with candy, will be found by the 50 children at Belvil Community Hospital on their evening trays, to brighten their holidays.

Under the direction of Miss Esther Smith, the girls are thinking ahead to their annual Christmas projects and to the trips to various hospitals they are planning to take.

The Weight Lifting Club has returned for the 1968-69 season under the leadership of Kermit Berry.

The organization, at a recent classroom meeting, elected officers for the new season. The new and old members were also briefed on club rules and school policy.

Officers are: George Feitel, president; Dave Butler, vice president; John Horste, secretary; Dave Karas, treasurer; and Chuck Weber, student council representative. Members of the club are shaping up at workouts held in the girls' gym every Monday, Wednesday, and Friday.

THE STUDENT COUNCIL'S main concern since school began has been Homecoming. Holding elections, arranging for the dance, and preparing for the big game of the year is only part of the job.

"Say The Sun Did It" was presented Saturday, Oct. 19, in the boys' gym from 8 to 11 p.m. The theme for this

semi-formal dance was carried out in yellow and orange decorations. Music was by "The Brass Rail Blues Band" from Monroe.

On Oct. 22, seven seniors of the Student Council attended a conference in Ann Arbor. All the district schools met together and discussed the problems of and exchanged ideas on their respective councils. This conference enables all the schools to find out what each of the others in the area is doing.

Citizens in the Van Buren school district who have sung the "Messiah", by Handel, are invited to audition to sing with the Belleville High Concert Choir this Dec. 19.

The choir is performing the choral selections from the "Messiah" and would like to make it a community-school project by combining a community and school choir. Anyone who is interested may contact the director, Keith Drayton, at Belleville High.

GERMAN CLUB, meeting under the sponsorship of Mrs. Carol Heldt, is planning a very busy year. Having elected Rose Lockwood as president; Becky Underwood, vice-president; Sheryl Feitel, secretary; and Mark Amerman as treasurer, members proceeded to plan their meetings for the first and third Wednesdays of the month.

Present plans call for a dinner at a German restaurant in Ann Arbor, Nov. 15. A possible ice-skating party is also in the making.

The Senior Class play, "1984", will be presented Dec. 6 and 7 in the Junior High cafeteria. Martin Chapo is this year's sponsor, with Kay Vandecar as the student sponsor.

The Sophomore Class ordered its class rings Oct. 3. They will be delivered in late winter or early spring. The class of '70 ordered its class parkas from Moss Brothers Oct. 12. The jackets will be brown with a beige class emblem.

THE FRESHMAN football team has rebounded to a four game winning streak, after the initial loss to Southgate-Davidson.

After the 20-6 defeat, the Frosh, under the leadership of Dick Steiger and Phil Mupert, have beaten Southgate-Schafer 14-7, Nankin mills 26-6, Ypsi West 18-13, and Lincoln 39-0.

The freshmen are tentatively scheduled to play their last game at Robichaud. It looks as if the Frosh are again holding up the winning tradition set by past teams.

EMU's Student Count at Record

YPSILANTI — Enrollment at Eastern Michigan University for the fall semester is 12,458 full-time and 4,557 part-time students, for a total of 17,015, University officials announced.

This compares with a total of 14,769 at this time last year. In addition, 2,220 students are registered for part-time study in courses offered off-campus by the Field Services Division. Graduate students account for 1,810 of this total.

12 Seconds To Go-Belleville Loses, 20-18

TIGERS END UP IN LEAGUE CELLAR

Suburban Six (FINAL)	WON	LOST
Belleville	4	1
Allen Park	4	1
Trenton	3	2
Plymouth	3	2
Redford Union	1	4
Belleville	0	5

BELLEVILLE — Redford Union caged Belleville's Tigers after spotting coach Jim Richendollar's team 18 points in the first half to escape the cellar of the Suburban Six Conference with a come from behind, 20-18, victory.

Belleville, which has a nonleague victory over Wayne Memorial to its credit, wound up with a 0-5 league record and in last place. The Tigers lost their chance of evading that fate in the last 12 seconds of the game.

Ahead 18-14 with seconds to go, quarterback George Bevington, who caused most of the Tiger heartbreaks, found Rick Kenyon open and tossed him a nine yard pass which ended up as the six points they needed.

The Tigers didn't have time to come up with an answer.

Belleville did all of its scoring in the first half when they scored three times in the first two periods, one in the opener and twice in the

second, before they were silenced.

Coach Richendollar's boys drove 80-yards midway in the initial period as Steve Hampton, Gary Gentle and Bruce Bara ground out the yardage. At the one yard line,

John Yocum went over to break the deadlock on a quarterback sneak.

A poor snap from center foiled Belleville's conversion attempt.

Belleville's momentum carried over to the second

period as Yocum scored again from two-yards out and hit Bara on a 37-yard pass play which resulted in what was to be their final TD of the game and the Suburban Six season.

Redford Union, also winless in the league going into the game, came alive right after the half with Mike Droz getting his team on the scoreboard on a two-yard, off tackle sprint. That followed Redford's last minute, first half score which found Bevington hitting his favorite target Kenyon for their first TD.

Both teams used the air ways at will with Yocum coming up with eight hits on 14 of his pass attempts or 120 yards. The Tigers accumulated a total of 289 yards. R. U., meanwhile, chalked up a total of 260 yards of which 129 were from their passing game.

Disappointed because of the loss, coach Richendollar was pleased with the overall performance of his boys.

"The boys played their best game of the year," said the Belleville coach. "They all played well and it's difficult

for me to single out just any one.

"It's too bad we had to end up on the short end of the score," he added.

Belleville, with league play out of the way, will face two non-conference rivals before turning in their uniforms for the season. The Tigers travel to Ypsilanti Friday night in an 8 p.m. game with the Sauk Trail representative and come home a week from Friday to meet John Glenn in another night affair.

It's Homecoming For Romulus' Flyers

ROMULUS — After playing their best brand of football to date in the Little League, Romulus's Flyers are preparing for their first Homecoming Game which is set for Sun., Nov. 3.

Aside from the game, there'll be floats, a Homecoming Queen and plenty of excitement beginning at 1 p.m. at Romulus High field.

Romulus' Varsity squad played to a 13-13 tie with Belleville as both teams played an extremely well defensive game. Romulus scored its initial touchdown on a off-tackle play and the second TD was on a sweep.

With the score 13-7, Belleville rallied to tie the game up in the final 50 seconds of the match.

Belleville came back to defeat Romulus' freshmen, 13-12, with Brent Hopson scoring one of the tallies on a quarterback sneak. Paul Hess soon followed on an off-tackle play.

Belleville deadlocked it with a 60-yard sprint.

A much improved Romulus Junior Varsity team came up with a 20-13 victory over its counter-parts.

IF A MAN ANSWERS — Seeking answers to some of his questions is second year Romulus head coach George Pratt who apparently got the wrong answers to the questions. His team dropped to fourth place after Willow Run got him off the "hot line".

DISMAL DAY — It was "DD" Day for Romulus' gridders and that, translated, meant "Dismal Day". The Eagles dropped a Twin Valley decision to Willow Run and finished in fourth place.

Hope for Victory in '68 Dims as Huron Falls, 20-7

NEW BOSTON — Although there is little hope of Huron winning a game this season, the Chiefs are not giving up hope. Coach Tom Grange's team dropped a 20-7 decision to Ypsi Lincoln last week in a nonleague affair and now set their goal on winning at least one of the two final conference matches on their schedule.

But they'll have to play flawlessly in order to reach that goal. Next in line for the Chiefs is Grosse Ile, a team which has never finished below the 500 mark in football, and the final match, a week from Friday, finds them up against Flat Rock, a team which has won four straight.

Huron appears to be doomed to a winless season again and to become the doormat of the inaugural Huron Conference season.

But there were some bright spots in Huron's defeat to Lincoln Consolidated. It was the first time the Chiefs had had the lead and the team, packed with sophomores and juniors, shows signs of jelling.

"We're inexperienced," said coach Grange, "and with the experience these kids picked up this season we feel that we're going to field a respectable team in these parts soon."

We have some

hard-working boys and they can develop into outstanding talent."

Grange and the Chiefs also have been working without the benefit of a "home field." Huron is at present building a grid iron which should be operational by next season.

Huron, after a scoreless first period, began to move under soph quarterback Tommy Umin who took over the signal-calling from Randy Clark. Clark is on the injury list.

The Chiefs broke the scoreless deadlock early in the second period with their first — and only — touchdown of the game. Glenn Dregansky, a 5-11, 170-pound soph, cut loose on a 40-yard touchdown run and then kicked the extra point to give his team a 7-0 margin.

Huron's defense held to the end of the half, but the Ypsilanti team came back in the initial minutes of the third quarter to score on a 57-yard drive and later went ahead on a 31-yard pass play.

Lincoln got an insurance TD

in the fourth period on a three-yard off tackle play.

Huron just couldn't get moving after the halftime. Soph halfback Orville Suemnick picked up 60 yards in 14 carries while Dregansky gained 88 yards in 15 tries for the best of the Huron ball carriers.

Out for the season are injured Johnny Johnson, Jon Shlagor, Ernie Demyan and playing their final games are seniors Craig Miller and Bill Crocker.

This week's match at Grosse Ile is slated to begin at 7:30.

EAGLES WIND UP IN 4TH

Flyers Startle Romulus

TWIN VALLEY	W	L
River Rouge	4	0
Willow Run	3	1
Ecorse	2	2
Romulus	1	3
Hamtramck	0	4

ROMULUS — Two stunning Willow Run plays startled Romulus in the first half and before coach George Pratt's Eagles could recover they found themselves on the short end of a 19-7 decision Friday.

One of those plays was a 70-yard punt return by Melvin Baskin who, early in the

second period, broke loose and went from his own 30 into the Romulus end zone.

Late in the same period, Sam Thomas picked off one of quarterback Chris Glinski's passes and raced for the second Willow Run touchdown to give the hosts a 13-0 first half lead.

Romulus' defense, spearheaded by Dave Brown, Louis Davis, John Stanek and Phil Derwinski, held the Flyers grounded most of the game. They shutout Willow Run in the first and fourth periods.

"It was the best game our boys played since I took over

as head coach," said coach Pratt afterwards. (Pratt is in his second year as head strategist.) "The boys deserved better fate than they got."

"Except for those two runs," he said, "our boys dominated most of the game."

Romulus held the upper hand in the first period as Roy Williams blasted his way through the Flyer defense and got his teammates down to the Willow Run 20-yard line on two occasions.

In the second period, the Romulus speedster teamed up with fullback Nate Williams and put together a drive from their own 30-yard line to the 13 but, once there, couldn't find the right play to go the distance.

Romulus began to crack the ice on a sizzling kick-off return by halfback Williams who ran the ball back from his 20 to midfield. Seven plays later, the two Williamses, Roy and Nate, pulled their running power for the first — and last — Eagle touchdown of the Twin Valley season.

Roy slipped through off-tackle for a 34-yard run and Nate plowed to the one-yard line for eight yards.

The speedy halfback leaped over to score the TD and Glinski booted the extra point to bring the Eagles back into the game, 13-7.

But that was the nearest Pratt's boys got to deadlocking the score as the Flyers came back in the fading minutes of the quarter to get on the scoreboard for the final touchdown.

Willow Run drove 40 yards and got to the one where a stubborn Romulus defense held for two plays, finally bending to Baskin's lunge.

Defensively, Davis had accounted for nine tackles and three assists while teammate Brown picked off eight runners with two assists. Stanek bagged eight.

Derwinski, at linebacker, and Tim Syula, a junior left tackle who also does the centering on punting downs, also came up with stellar performances.

River Rouge, ranked one of the best Class B teams in the state this season, captured the Twin Valley Conference championship with a perfect 4-0 record with Willow Run's 3-1 record earning the Flyers a second place. Ecorse ended up in third while Romulus was fourth and Hamtramck was fifth and the cellar-dweller.

Romulus has two more nonleague games left on its '68 agenda before the Eagles can hang up their uniforms for the year. They'll take on Inkster, a fifth-place finisher in the Mid-Wayne, on Friday (at 3:30) and wind up a week from Friday at Robichaud.

THE SPORTS MERIDIAN

By Tom Mooradian

Tigers Have Something To Say

I have a strange feeling I have the answer to why coach Jim Richendollar and the Belleville Tigers are losing football games. The gridders don't understand the English language. And I'm offering the letter below to defend that statement.

"Dear Mr. Mooradian,

After reading your column regarding Coach Jim Richendollar last week we the members of the 1968 Belleville High School football team would like to ask you to quit blaming the coach for the lack of victories this year.

Coach Richendollar is the most dedicated man we have played under. We wish to make you EAT your words, sir, for in this case, you don't know what you're talking about.

We enjoy your column and support the newspaper, so please quit knocking our coach who also happens to be a great man.

Sincerely,

'68 Belleville Tigers

P.S. We dare you to publish this letter.

Dear Tigers,

Where the heck do you conclude in last week's column that I'm knocking your coach. In fact, if you read carefully: "Richendollar, however, has been on the job only for two years — how the heck can anyone blame him?" for losing.

There are, as we all know, ugly rumors when a coach — any coach — loses. I feel, after many, many, years as a coach-writer, that when a person accepts a challenge (be it Richendollar or Meridian or anyone) he should be given ample time to prove himself.

After an X amount of years (usually four in high school) if the coach doesn't produce, then he should step down and give someone else a chance.

In pro ball — as soon as you start losing — I don't care who you are — the axe is immediately sharpened and falls without hesitation.

"No, I'm not knocking your coach. He is, in my personal belief, one of the best. But, believe it or not, I don't count. It's up to you kids and the coach to prove your worth."

I can only suggest that you kids take a refresher course in English.

Cager Under Pressure

And talking about pressure, Shaler Halimon sure didn't expect to play ball when he attended Romulus' rally last week. The 6-foot-6 ex-Eagle cager who went on to play collegiate ball for Utah State was in town the other night and the fans started to pop questions right and left at him.

"You could hear a pin drop," said football coach George Pratt. "It was one of the best Romulus rallies we have ever staged."

The climax to it all came when Romulus students asked Shaler "to show us how you shoot."

And the All-American forward, in his street clothes, asked and got a basketball, dribbled down-court and fired away: a direct hit. He repeated from the sidelines. And after three in a row the fans went wild.

Playing pro ball at present, Shaler scored 44 points one night for coach Al Duva's team. That's still the record at the school. Schaler told the assembly that "sports has done wonderful things for me and I know it can do the same for you. But it isn't sports alone that makes a man, it's the sum of his total scholastic and physical abilities."

Hitching A Ride

Finally got out to see St. Mary's grid team and hitched a ride, along with photographer Bob McClellan, Jr., to the St. Agatha game. Sitting in back of the school bus, listening to the gridders joke, I was somehow overlooked by coach Manny Lentine.

At halftime, after watching a listless Knight team, I strolled over to Lentine to offer my condolences.

He looked up at me as if startled at my presence and said:

"Late, as usual."

Couldn't convince the guy that I was on the bus.

Oh, well, you can't win 'em all, they say. But heck, I can't even win one!

Writer Cites Imperative Need Of State's Water Restoration

By LEE SMITS
Special Writer

For Michigan there is one outstanding conservation issue — the imperative need to restore our greatest natural resource — water.

On par with the pollution problem is the mounting demand for places-to-go; camp grounds, public hunting lands, riding and hiking trails, woods and waters open and free to the public.

On Nov. 5 Michigan voters will be able to do something to provide solutions for these problems.

Governor Romney paved the way by getting legislative approval for two bond issues — one for clean water, the other for bigger and better recreation facilities.

THE PROGRAM is now up to the voting public; on the ballot as State Proposals No. 3 and No. 4.

A Citizens Committee, headed by Gov. Romney, is campaigning for the proposals. The committee includes spokesmen for union labor, organized sportsmen, industry, chambers of commerce, the Automobile Club of Michigan, educators, municipal governments.

Here are the selling points presented by the Citizens Committee:

Many Michigan lakes and streams are already dirty and getting dirtier. More than 900 miles of rivers are seriously polluted, and many beaches can't be used. Lake Erie may already be beyond saving, and serious problems are appearing in Lake Michigan.

SOME 150 Michigan communities are violating state pollution laws but can't take corrective steps for lack of money. At the same time, our growing population is over-running our local and state parks.

We do not have enough campgrounds, playgrounds, fish hatcheries, public hunting lands, riding and hiking trails, and other such facilities.

The bond proposals call for state expenditures of \$335 million for clean water and \$100 million for quality recreation.

Federal and local contributions would finance a total program of \$1.2 billion for clean water, and \$155 million for quality recreation. Thus, an investment of \$435 million in state money will provide nearly one billion 355 million dollars worth of pollution control and recreation facilities.

The Clean Water and Quality Recreation bonds can be retired without a state tax increase.

Retirement of other bond issues and increases in general revenue will provide enough money to make principal and interest payments within the present tax structure.

THE CLEAN WATER and recreation proposals have the emphatic endorsement of such Michigan leaders as August Scholle, president of the state AFL-CIO; Mrs. Robert Forch, president of the League of Women Voters; Dwight

Havens, president of the Greater Detroit Board of Commerce; Harry H. Whiteley, chairman of the Conservation Commission; William G. Milliken, Lieutenant governor; Dan E. Reed, secretary-manager, Michigan Farm Bureau; Walter P. Reuther, president, United Automobile Workers; James L. Rouman, executive director, Michigan United Conservation Clubs.

Since running for Trustee, people have asked me how come Ash Township got half their project paid? How come Sumpter Township got half their project paid? How come Huron Township only got \$452,000 against \$4,000,000? Looking at the working man's point of view, I would have tried to postpone the sewers until Nov. 5 when the people will vote on Act 76, whereby the community would only have to pay 1/4 the cost.

Thanking you for your past support.

HEAR RIGHTS OFFICIAL

Romulus Relations Group Elects Its First Officers

ROMULUS — The Romulus Township Board responding to requests from many citizens and civic organizations adopted a resolution last May establishing a Community Relations Commission.

The Commission since has met only twice.

The first meeting was an organizational meeting and the following were elected officers: Jason Lovette, of 35748 Bibbins was named chairman; Otha Jones of 35680 Goddard Road, Vice-Chairman, and Miss Elvera Fischer of 30880 Ecorse Road, secretary.

On Oct. 22, the second meeting was held. At this session Thomas E. Johnson, supervisor of the Police-Community Relations and Tensions Analysis Division of the Michigan Civil Rights Commission, was present and spoke briefly to the group. He described what the State Commission is doing, how other commissions within the state organized, how they are functioning, and some of the possible functions of this commission.

Meetings will be held monthly on the fourth Tuesday, 7:30 p.m. at the Romulus Township Urban Renewal Office, 6446 South Wayne Road, telephone 729-0020. All meetings are open to the public, Lovette announced.

The Community Relations Commission is a non-partisan organization designed to assist private citizens, schools, city officials, and any such element of our society; to solve present or possible future problems, ultimately hoping to create a congenial township (city) in which to live.

ORGANIZATIONAL MEETING — Romulus Township Community Relations Commission recently held its organizational session and elected a slate of officers. Left to right are: Otha Jones, vice-chairman; Mrs. Ruth McIntosh, John Wanger, Jason Lovette, chairman; Thomas E. Johnson, supervisor of police-community relations, State Civil Rights Commission; Ronald Bird and Mrs. Elvera A. Fischer, secretary. Not pictured are: Mrs. Frankie Shreve, Lester Hart and Gene Malberry.

EXPLAINS STATE CIVIL RIGHTS COMMISSION — Thomas E. Johnson, supervisor of Police-Community Relations of the Michigan Civil Rights Commission (right) explains workings and functions of the civil rights board at a session of Romulus Community Relations Commission held Oct. 22. With Johnson are left Otha Jones, vice-chairman; and Jason Lovette, chairman of the Romulus Community Relations Commission respectively.

Plant Adding New Jobs

WILLOW RUN — An increase in the production schedule at Chevrolet Motor Division's assembly plant here will result in the creation of about 100 new jobs, it was announced.

George H. Johnson, manager of the plant, said applicants for the new jobs are being interviewed now.

"Our total employment will increase to about 1,900 persons when we raise output of Chevrolet Nova passenger cars from 55 to 60 vehicles hourly on November 1," Johnson said.

The plant has been working extended shifts during the current month. "But we still have not been able to keep up with customer orders for new Novas," Johnson added.

The Willow Run facility is the only Chevrolet assembly plant building Chevrolet Novas and Corvairs.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

Completes Class

BELLEVILLE — Marine Private Arthur L. Brown, 19, son of Mrs. Clarence Darty of 47891 Willow road, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

Boyle Sums Up Campaign With Challenge to Voters

WESTLAND — John F. Boyle Republican nominee for the 15th Congressional District, summed up his hard hitting campaign with a challenge to the voters to show that they can look beyond a name only candidate.

Boyle stated: "The incumbent Congressman Bill Ford has sat this election out on the side lines, hoping that not enough voters would discover the truth about his voting record and his personal conduct while in office to turn him out."

"Hop to hide behind the Ford name, William Ford desperately hopes that his incredible Vietnam war posture, his crime coddling voting record, his spending of

this country into inflation, his overseas junkets with their padded expense accounts now revealed, his questionable fund raising events in Washington and cronyism here with Post Office appointments, will be lost in the shuffle."

"What he failed to reckon with was the power of the free press which has now brought this unbelievable conduct into the open through most of the District."

I'M SURE William Ford must have been dismayed this week when the press revealed his congressional attendance record was the fourth worst in the state, exceeded only by Congressmen Diggs, Conyers and Griffiths.

"How can a man ask you to return him to a \$30,000 a year job when he has missed one out of every four votes this year, which is what William Ford has done."

"Now is the time to face the challenge of the 70's with a congressman in whom you have trust and confidence. There is nothing wrong with this country that cannot be remedied by throwing out her leaders who have only profited themselves and not the people they profess to serve."

"At the polls, show that if a man expects to represent the 15th District, he must have more than a familiar name. He must be the people's man in Washington. He must serve them; first, last and always."

Water, Recreation Proposals Backed by Top State Leaders

Twenty-seven top Michigan industrial, union, civic and business leaders have endorsed and urge passage of two bonds for clean water and more recreation facilities at polls Nov. 5.

Their public endorsement of Proposals No. 3 and 4 was made in the October issue of Motor News, Automobile Club of Michigan's official publication which is now in the homes of 825,000 Michigan AAA members.

Leading the field of endorsees for the \$335 million water pollution and \$100 million recreation bonds was Governor George Romney who stated that if the bonds are passed they will require no new state taxes or raises in existing taxes. Proposal No. 3 concerns clean waters and No. 4 recreation. He characterizes the issues as "Siamese Twins" and the most important proposals to Michigan's future ever to come to his attention as Governor.

Harry H. Whiteley, chairman, Michigan Conservation Commission, stated in Motor News: "The bond issue for clean water is an unprecedented opportunity for Michigan communities to upgrade sewage treatment facilities which have become

dangerously inadequate. The fact also is well established that Michigan people want more and better campgrounds, playgrounds, places to hunt, more and better fishing."

WALTER P. REUTHER, president, United Auto Workers stated: "We wholeheartedly support the clean water bond proposal and urge our members and the voters of this state to vote Yes on this issue. The problems and effects of water pollution extend beyond municipal and county boundaries. Assistance from State and Federal Government is needed."

Joseph L. Hudson, Jr., president, New Detroit Committee, said: "Clean water and adequate recreational areas are important to any state. For Michigan's tourist industry, they are absolutely essential."

Detroit Mayor Jerome P. Cavanagh maintains that "A Yes vote on State Propositions 3 and 4 has my full support. We virtually need more recreational facilities and more weapons to win the war on pollution of our lakes, rivers and streams."

FULL SUPPORT of the two bonds was also given by top Michigan legislative leaders.

Representatives Raymond L. Baker and Joseph M. Snyder, chairman and vice-chairman, respectively, of the Conservation and Recreation Committee, urge support of the programs to "allow us to keep our home state healthy and competitive" and to "assure a continuation of Michigan as a vibrant and progressive state."

Michigan House Speaker Robert E. Waldron and State Senators Emil Lockwood, minority leader, and Majority Leader Raymond D. Dziedzic both urge passage of the two bills as matters of urgent necessity.

League of Women Voters President Mrs. Robert Foerch states: "These resources are irreplaceable and one of Michigan's most valuable assets; the Clean Water bond issue will help preserve and improve them."

Secretary-Manager of the Michigan Farm Bureau Dan E. Reed states: "If Michigan citizens want clean water and an attractive, enjoyable state, there will be a cost involved. Every citizen should study the proposed bond issues which will appear on the November 5 ballot offering a plan for financing these costs."

Congressman Ford Backs Community College Plan

Congressman William D. Ford (D) 15th District, this week enthusiastically endorsed the proposed plan to create a Wayne County Community College.

Ford reported that Wayne County is the only major metropolitan area in the entire United States that does not have an area-wide community college.

On election day, Nov. 5, the voters of Wayne County will have a chance to remedy this situation by voting for a 2.5 mill levy to be used to develop a multi-campus community college available to all residents of the county.

The proposal, if passed, will amount to \$12.50 a year for a house assessed at \$5,000.

It is estimated that the Wayne County Community College, with campuses located throughout the county, would have a total enrollment of between 30,000 and 50,000 students within five years of its inception.

CONGRESSMAN FORD pointed out that the Macomb County Community College has on its rolls 3,300 Wayne County residents, representing about one-third of its total enrollment. Officials of the Macomb College have already announced that this enrollment will have to be cut back to 5% over the next five years to provide for the increased demands of Macomb County's own residents.

"A Community College in Wayne County would offer opportunities to people throughout the county to either further their academic education at the college level or receive advanced vocational education training," said Congressman Ford.

"I am afraid," Ford further declared, "that in the clamor of this very exciting Presidential election year, many voters may overlook this important question on the ballot. I hope that all Wayne County voters will consider this proposal seriously and let their voices be heard on the subject of the Wayne County Community College."

CAMPAIGNER'S WELCOME — Mrs. Hubert (Muriel) Humphrey, wife of Vice-president Hubert H. Humphrey, presidential candidate waves a happy welcome upon her arrival last week at Metro Airport on her way to Detroit. She addressed the National Retarded Children Association Convention at Sheraton Cadillac Hotel, Detroit. She has been active in her husband's election campaign.

Workable Program OK Sought

ROMULUS — A resolution authorizing the submission of Romulus Township Workable Program to United States Department of Housing and Urban Development for re-certification was adopted by the Romulus Township Board.

The Workable Program's latest progress report on community improvement was dispatched to the federal agency last week, Alfred J. Perry, township clerk reported.

The township has made significant advances toward the elimination of slums and blight through the Workable Program and wished to take advantage of these federal programs for which re-certification of the Workable Program for Community Improvement is a pre-requisite, the Board announced.

Graduates Unit

BELLEVILLE — Seaman Apprentice James L. Bloom, USN, 18, son of Mrs. Lillian R. Bloom of 46763 Ayres, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.
